Key Features:

- Garage Ready
- Factory-Installed Ice Maker
- Fridge and Freezer Glass Shelving
- 20.2 cu ft capacity, 30-inch Width
- Inverter Compressor

Features:

- A garage refrigerator is a convenient place to store extra beverages and food, and this one is garage ready*.
- Featuring an innovative temperature sensor for optimal performance, drinks and food stay cold and fresh in a wide range of ambient temperatures.
- Keep your favorite drinks cold, with a factory-installed icemaker producing up to 4.8 lbs. of crescent-shaped ice per day.
- Full-width, tempered glass shelves provide storage flexibility for wide, oversized items like pizza boxes, party trays and sheet cakes. The spill-proof design makes clean-up easy in both the refrigerator and freezer.
- 20.2 cu. ft. capacity so you can store your favorite foods and drinks in a space-saving 30” wide design for smaller spaces.
- The Inverter Compressor intelligently maintains a consistent temperature to keep food fresh. It’s also quieter, more energy efficient and operates with less wear and tear than conventional compressors.
- ENERGY STAR® certified to help you save on energy.
- Humidity-controlled crispers keep produce fresh and delicious.
- 8 clear door bins keep your favorites organized and within reach.
- Customizable, adjustable shelving helps keep you organized and lets you make room for taller items.
- Spill-proof shelves help to contain spills, making clean-up easy.
- Long-lasting LED lighting is bright and efficient.
- Reversible doors ensure convenient access in any layout.

*Designed for external temperatures - 45°F - 110°F.
