

Kenmore® 4.0 cu. ft. Compact Electric Dryer, 81202

Key Features:

- 4.0 Cu. Ft. Capacity Compact
- Sensor Drying
- Ventless Condensing Drying System
- Wrinkle Guard® Option
- ENERGY STAR® Certified
- Sanitize Dry Cycle

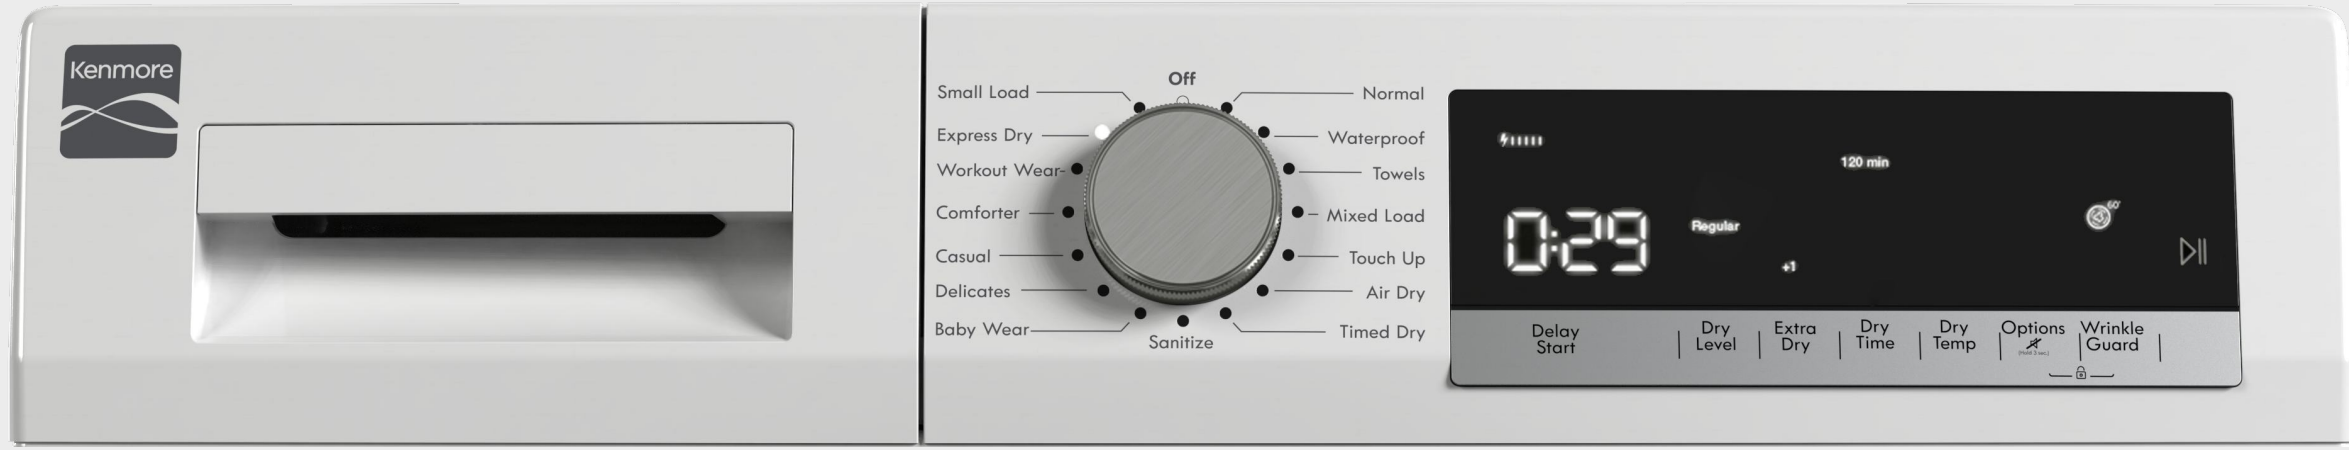

Features:

- The 4.0 cu. ft. capacity dryer gives clothes and towels the space they need to move freely, helping to prevent wet spots.
- Sensor Drying includes a humidity sensor that measures moisture levels to adjust cycle time to prevent over drying, helping your clothes look and feel their best.
- No ducting required! The Ventless condensing drying system provides energy savings and installation flexibility. With no need for venting, it's easy to install and easy to maintain.
- The Wrinkle Guard® option tumbles clothes intermittently after the cycle is complete to help prevent wrinkles from setting in.
- This dryer is ENERGY STAR® Certified, so you'll save energy and money every time you dry.
- We're so confident that our aluminized steel dryer drum will stand up to everyday use, it's covered by a lifetime warranty against rust and corrosion.
- Get extra protection with the Sanitize cycle that helps to reduce common household bacteria without the use of chemicals. This cycle is perfect for nonwashable items like decorative pillows and plush toys.*
- Get a visual alert from the Water Tank Indicator when it's time to empty the water tank.
- The reversible door lets you switch the way the door swings.
- Check Condenser light reminds you to clean the condenser.
- 15 dry cycles give you customized programs to meet your needs.
- 3 temperature selections for personalized fabric care.
- Two way tumbling mixes laundry efficiently for uniform drying.
- Drum light illuminates the interior so no items are left behind.
- When you're in a hurry, Express Dry 3 shirts in only 12 minutes or 8 shirts in just 29 minutes.

*Per NSF International Protocol P154 — Sanitization Performance of Residential Clothes Dryers
