

Kenmore® 17.5 cu. ft. French Door Refrigerator, 75525

Key Features:

- Inverter Compressor
- Fingerprint Resistant Stainless
- Multi-Flow Air System
- Factory Installed Ice Maker
- ENERGY STAR® Certified
- 17.5 cu. ft. Space Saving Capacity

Features:

- The Inverter Compressor intelligently maintains a consistent temperature to keep food fresh. It's also quieter, more energy efficient and operates with less wear and tear than conventional compressors.
- Stainless steel features a special coating that stands up to a busy household so you get all of the beauty and durability of stainless steel plus a fingerprint-resistant finish that cleans easily with a damp cloth.
- 17.5 cu. ft. capacity stores more of your family favorites.
- Multi-Flow Air System puts dual vents on every refrigerator shelf to create even air distribution for long-lasting food freshness, no matter where food is stored.
- Keep your favorite drinks cold, with a factory-installed icemaker producing up to 4 lbs. of crescent shaped ice per day.
- Spacious crisper drawers are the perfect place to store fruits and veggies.
- ENERGY STAR® certified to help you save energy and money.
- With Accela Chill®, an increase in fan forced cold air accelerates cooling, ideal when adding items from the garden, pantry, or grocery store which are not as cold as the compartment.
- Clear, deep, gallon-size door bins free up space on shelves by storing large jugs and bottles in the door.
- Customize your storage space with easy-to-move glass shelving.
- Counter-depth design saves floor space so only the style stands out. With an impressive capacity there's plenty of space for groceries while getting a sleek, built-in look.
- LED lighting is bright and efficient.
- Two-Tier Freezer Drawer keeps food organized for easy-access.

Available Finishes:

- **75525 Stainless Steel**
