

Kenmore® 18.1 cu. ft. Top Freezer Refrigerator, 6134_

Key Features:

- 18.1 cu. ft. Space Saving Capacity
- Inverter Compressor
- ENERGY STAR® Certified
- 2 Humidity Control Crisper Clear
- Garage Ready

Features:

- 61345 only: Metallic steel features a special coating that stands up to a busy household so you get a beautiful and durable fingerprint-resistant finish that cleans easily with a damp cloth.
- The Inverter Compressor intelligently maintains a consistent temperature to keep food fresh. It's also quieter, more energy efficient and operates with less wear and tear than conventional compressors.
- ENERGY STARcertified to help you save on energy.
- 2 Humidity-controlled crispers keep produce fresh and delicious.
- Enjoy the large 18.1 cu. ft. capacity in a 30" wide space-saving footprint that fits smaller spaces.
- A garage refrigerator is a convenient place to store extra beverages and food and this one is garage ready*.
- 7 clear door bins keep your favorites organized and within reach.
- Energy-efficient, long-lasting LED Lighting casts a warm, natural light on the refrigerator's interior.
- Modern, edge-to edge glass shelves provide storage and flexibility.
- Customizable, adjustable shelving helps keep you organized and lets you make room for taller items.
- Reversible doors ensure convenient access in any layout.

*Designed for external temperatures - 45°F - 110°F.
