

Kenmore® 20.2 cu. ft. Top Freezer Refrigerator, 6135_

Key Features:

- 20.2 cu. ft. Space Saving Capacity
- Inverter Compressor
- ENERGY STAR® Certified
- 2 Humidity Control Crisper Clear
- Garage Ready

Features:

- 61355 only: Metallic steel features a special coating that stands up to a busy household so you get a beautiful and durable fingerprint-resistant finish that cleans easily with a damp cloth.
- The Inverter Compressor intelligently maintains a consistent temperature to keep food fresh. It's also quieter, more energy efficient and operates with less wear and tear than conventional compressors.
- ENERGY STAR ®certified to help you save on energy.
- 2 Humidity-controlled crispers keep produce fresh and delicious.
- Full size 20.2 cu. ft. capacity with a space-saving 30" wide design for smaller spaces.
- A garage refrigerator is a convenient place to store extra beverages and food and this one is garage ready*.
- 8 clear door bins keep your favorites organized and within reach.
- Spill-proof shelves help to contain spills, making clean-up easy.
- Energy-efficient, long-lasting LED Lighting casts a warm, natural light on the refrigerator's interior.
- Full-width glass shelves provide space, storage and flexibility.
- Customizable, adjustable shelving helps keep you organized and lets you make room for taller items.
- Reversible doors ensure convenient access in any layout.

*Designed for external temperatures - 45°F - 110°F.
