Features:

- The swing door bottom freezer blends form and function. Four drawers keep frozen foods sorted, while the wide open door design offers easy access.
- Stainless steel features a special coating that stands up to a busy household so you get a beautiful and durable fingerprint-resistant finish that cleans easily with a damp cloth.
- Five clear refrigerator door bins, including a gallon-sized bin, keep your favorite beverages, condiments, salad dressings, and more organized and within reach.
- Stay organized and keep produce fresh in 2 spacious crisper drawers.
- Keep your favorite drinks cold with the convenience of an automatic icemaker which can produce up to 2.6 lbs. of cubed shaped ice per day.
- 3-Tier Freezer keeps ice & favorite foods organized in 2 drawers and 1 tray.
- Energy-efficient, long-lasting LED Lighting casts a warm, natural light on the refrigerator's interior making sure nothing is lost in dark corners.
- Counter-depth styling provides a sleek, built-in look while still providing the space you need for your family's favorite foods and drinks.
- Customize your storage space with easy-to-move tempered glass shelving.
- Full-width, tempered glass shelves provide storage flexibility for wide, oversized items like pizza boxes, party trays and sheet cakes.
- Save energy effortlessly with Eco Mode when you're away.
- Reversible doors ensure convenient access in any layout.
- 17.8 cu. ft. large capacity with a 31" space-saving width.
- The Inverter Compressor intelligently maintains a consistent temperature to keep food fresh. It's also quieter, more energy efficient and operates with less wear and tear than conventional compressors.
- ENERGY STAR® certified so you can maximize your energy and dollar savings while getting all of the features you want.
