

Kenmore® 22.3 cu. ft. Bottom Freezer Refrigerator, 75645

Key Features:

- Pull-Drawer 2-Tier Bottom Freezer
- Fingerprint-resistant Stainless
- 5 Clear Door Bins
- 2 Clear Crisper Drawers
- Automatic Ice Maker
- ENERGY STAR® Certified
- 22.3 cu. ft. Capacity

Features:

- The pull-out bottom freezer makes life easier with two-tier storage—an upper drawer for everyday items and a deep lower bin for bulk frozen goods.
- Stainless steel features a special coating that stands up to a busy household so you get a beautiful and durable fingerprint-resistant finish that cleans easily with a damp cloth.
- Five clear refrigerator door bins, including a gallon-sized bin, keep your favorite beverages, condiments, salad dressings, and more organized and within reach.
- Stay organized and keep produce fresh in 2 spacious crisper drawers.
- Keep your favorite drinks cold with the convenience of an automatic icemaker which can produce up to 3.5 lbs. of cubed shaped ice per day.
- 2-Tier Freezer keeps ice & favorite foods organized in 2 drawers.
- 22.3 cu. ft. full size capacity with a 31" space-saving width.
- Energy-efficient, long-lasting LED lights at the top and along the sides brighten every corner of your refrigerator. Enjoy a warm, natural glow that makes it easy to find what you need.
- Bright LED lighting keeps your freezer organized and easy to navigate.
- Customize your storage space with easy-to-move tempered glass shelving.
- Full-width, tempered glass shelves provide storage flexibility for wide, oversized items like pizza boxes, party trays and sheet cakes.
- Save energy effortlessly with Eco Mode when you're away.
- Reversible refrigerator door allows you to choose the direction in which the door opens for the most convenient access.
- The Inverter Compressor intelligently maintains a consistent temperature to keep food fresh. It's also quieter, more energy efficient and operates with less wear and tear than conventional compressors.
- ENERGY STAR® certified so you can maximize your energy and dollar savings while getting all the features you want.
- The traditional standard-depth design stores more food and stands proud in your kitchen.
