

Kenmore® 25.6 cu. ft. French Door Refrigerator, 75685

Key Features:

- 25.6 cu. ft. Large Capacity
- FlexSpace™ Drawer
- Multi-Flow Air System
- Fingerprint Resistant Stainless
- Triple Crisper Drawers

Features:

- 25.6 cu ft. large capacity keeps you organized and stores more.
- FlexSpace™ Drawer delivers maximum versatility by converting from a refrigerator to a freezer, allowing you to customize storage space to fit everyday groceries, entertaining, or seasonal needs.
- Multi-Flow Air System vents cool on every refrigerator shelf to create even air distribution for long-lasting food freshness, no matter where food is stored.
- Stainless steel features a special coating that stands up to a busy household, so you get all the beauty and durability of stainless steel plus a fingerprint-resistant finish that cleans easily with a damp cloth.
- Triple crisper drawers provide flexible storage, with two spacious drawers for fruits and vegetables and a smaller middle drawer designed for delicate items or foods best stored separately—like berries, herbs, or mushrooms.
- Great tasting, high-quality, filtered ice and water at your fingertips. The Ice & Water Dispenser produces up to 4 1/2 lbs. of crushed or cubed ice a day and it's NSF-certified for peace of mind.
- A Two-Tier Freezer Drawer keeps frozen food organized with a pullout drawer to keep sweet treats nice and neat and a deep bin to stash bulk frozen items—all with frost-free convenience.
- Dual Evaporators provide independent cooling for the refrigerator and freezer, optimizing temperature and humidity in each compartment for fresher-tasting food and no odor transfer.
- The Inverter Compressor intelligently maintains a consistent temperature to keep food fresh. It's also quieter, more energy efficient and operates with less wear and tear than conventional compressors.
- Customize your storage space with easy-to-move glass shelving.
- Full-width shelves make space for wide items like a party platter.
- Clear door bins keep items visible, organized, and easy to grab.
- Clear, deep, gallon-size door bins free up space on shelves by storing large jugs and bottles in the door.
- Enhanced LED lighting illuminates the fridge and freezer on every level.
- Accela Chill® quickly adds extra cool when you need it.
- Accela Freeze® boosts cold air to freeze new items fast.
- ENERGY STAR® certified to help you save energy and money.
- Easy to change NSF®-certified water filter removes contaminants for great tasting ice and water.
- Door open alarm warns when the fridge or freezer is left open.
- Child lock helps prevent accidental ice and water dispensing and temperature changes.
