

Kenmore® 7.0 cu. ft. Electric Dryer, 69182

Key Features:

- Sensor Drying System
- Sanitize Dry Cycle
- 7.0 cu. ft. Capacity
- Wrinkle Guard® Option
- Touch Controls with LED Lights

Features:

- Smart sensors detect moisture content in clothes to apply the right time to prevent over-drying, helping your clothes looking and feeling their best.
- Sanitize items right in the dryer to help remove bacteria. This cycle is perfect for non-washable items like decorative pillows, sleeping bags and plush toys.
- The large, 7.0 cu. ft. capacity dryer gives large loads and bulky bedding the space they need to move freely.
- The Wrinkle Guard® option tumbles clothes intermittently for 90 minutes after the cycle is complete to help prevent wrinkles from setting in.
- Save time and dry a small load in 39 minutes with Express Dry*.
- Easy-to-use touch controls with LED lights that show time remaining and cycle status information.
- The lint filter indicator alerts you when the filter needs emptying.
- The reversible door lets you choose which way the door swings, giving you flexibility to fit your laundry space and make loading and unloading more convenient.

*Based on a 3-lb load

Available Finishes:

- **69182 White**
Item# 02669182000 | Model# 69182 | UPC 843086126468
