

Kenmore® 4.5 cu. ft. Front-Load Washer, 4227_

Key Features:

- 4.5 cu. ft. capacity
- Steam Treat® option
- Accela Wash®
- Sanitize cycle
- ENERGY STAR® certified

Features:

- 4.5 cu. ft. capacity washes everything from clothes to comforters.
- Steam Treat® option helps remove common stains with the cleaning power of steam.
- Accela-Wash® cleans full-sized loads up to 26% faster* so you can get through more loads in less time. Wash time is reduced by optimizing the wash, rinse and spin actions while also gently raising the wash temperature.
- The NSF®-Certified Sanitize cycle uses extra hot wash water and very cold rinse water to eliminate 99.9% of bacteria so even the dirtiest clothes are super clean and smell fresh.**
- ENERGY STAR® certified models exceed government standards to help conserve natural resources and save money on your utility bills.
- Cold Clean® cleans gently & completely while using up to 90% less energy***.
- Dispenser drawer adds detergent and softener at just the right time in the cycle.
- Extra Water option is great for large or extra dirty loads.
- Clean bulky bedding with ease using hot water & a blend of wash motions.
- Kids Wear tackles everyday dirt with special wash actions.
- Easy-to-use touch controls with an LED lights that shows cycle status information.
- Plus, the convenient LED lights provides time remaining and cycle status information.
- The stainless steel wash basket is designed to resist dents, chips and corrosion for a gentle wash that helps prevent snags or pulls on fabrics.
- The catch compartment is designed to protect the pump should a small item happen to find its way past the gasket and it opens easily so you can retrieve lost items.
- The Clean Washer cycle should be used periodically to thoroughly clean the drum and gaskets, keeping musty smells away.

*Compared to using a standard 8-lb load, Normal cycle
**Per NSF International Protocol P172 — Sanitization Performance of Residential Clothes Washers
***According to ENERGY STAR®, water heating consumes about 90% of the energy it takes to operate a clothes washer.

Kenmore® 8.0 cu. ft. Electric Dryer, 8227_

Key Features:

- 8.0 cu. ft. capacity
- Accela Steam™ technology
- Wrinkle Guard® option
- Sensor drying system
- Sanitize dry cycle
- ENERGY STAR® certified

Features:

- The extra-large, 8.0 cu. ft. capacity dryer gives extralarge loads and bulky bedding the space they need to move freely.
- Accela Steam™ technology creates steam which enhances the performance of steam cycles and options to reduce wrinkles, odors and static cling.
- Steam Refresh reduces odors and relaxes wrinkles in 15 minutes.* *
- Smart sensors stop drying at the right time to help prevent over-drying.
- Sanitize items in the dryer to help remove bacteria— ideal for non-washables.
- Unlock greater efficiency with Energy Saver, designed to help you save up to 8.2% more energy.** Add the Energy Saver option to select cycles to save money and energy.**
- ENERGY STAR® certified models exceed government standards to help conserve natural resources and save money on your utility bills.
- The Wrinkle Guard® option tumbles clothes intermittently for 90 minutes after the cycle is complete to help prevent wrinkles from setting in.
- Use the intuitive light-touch controls to select the load and cycle options that match the fabric types in each load. Plus, the convenient LED lights provides time remaining and cycle status information.

*Based on a 3-1 b load, Steam Refresh Cycle
**Compared to default Normal cycle using an 8-1 b. load
