

Kenmore® 4.4 cu. ft. Top-Load Washer, 29162

Key Features:

- Triple Action® agitator
- Accela Wash®
- 4.4 cu. ft. capacity
- Express wash cycle
- Soft close, tempered glass lid

Features:

- Triple Action® Agitator gets loads clean in 3 ways: 1. Spraying Action—sprayjets attack dirt from every angle with a concentrated detergent mix. 2. Wash Basket Action—wash basket moves back and forth. 3. Agitator Action—moves clothes in a circular pattern.
- Accela-Wash® cleans full-sized loads up to 51% faster* so you can get through more loads in less time. Wash time is reduced by optimizing the wash, rinse and spin actions while also gently raising the wash temperature.
- 4.4 cu. ft. capacity washes everything from clothes to comforters.
- Express Wash cycle cleans in as little as 28 minutes**
- The Soft Close, tempered glass lid won't slam shut thanks to hinges that allow for the lid to close gently.
- Cold Clean® cleans gently & completely while using up to 90% less energy***.
- Dispenser drawer adds detergent and softener at just the right time in the cycle.
- Select Deep Fill option for loads where extra water is desired.
- The Bulky/Bedding cycle uses hot water and a blend of wash motions to get bulky loads like comforters and blankets fresh and clean.
- Use the intuitive light-touch controls to select the load and cycle options that match the fabric types in each load. Plus, the convenient LED lights provides time remaining and cycle status information.
- The stainless steel wash basket is designed to resist dents, chips and corrosion.
- The Clean Washer cycle helps to keep musty smells away.
- Up to 710 RPM spin speeds remove moisture for less drying time.

*Compared to using a standard 8-1 b load, Normal cycle, warm wash temp, extra heavy soil setting.
**Based on a 3-1 b load, Express cycle.
***According to [EnergyStar.gov](https://www.energy.gov), water heating consumes about 90% of the energy it takes to operate a clothes washer.

Available Finishes:

- 29162 White
Item# 02629162000 | Model# 26-29162 | UPC 02629162000

Kenmore® 7.0 cu. ft. Electric Dryer, 69162

Key Features:

- Sensor drying system
- Sanitize dry cycle
- 7.0 cu. ft. capacity
- Energy saver
- Wrinkle Guard® option

Features:

- Smart sensors stop drying at the right time to help prevent over-drying.
- Sanitize items right in the dryer to help remove bacteria. This cycle is perfect for non-washable items like decorative pillows, sleeping bags and plush toys.
- The large, 7.0 cu. ft. capacity dryer gives large loads and bulky bedding the space they need to move freely.
- Unlock greater efficiency with Energy Saver, designed to help you save up to 7.6% more energy*.Add the Energy Saver option to select cycles to save money and energy.*
- The Wrinkle Guard® option tumbles clothes intermittently for 90 minutes after the cycle is complete to help prevent wrinkles from setting in.
- Save time and dry a small load in 39 minutes with Express Dry**.
- Easy-to-use touch controls with an LED lights that shows status.

*Compared Normal cycle, more dry level, medium dry temp, using an 8-lb. load.
**Based on a 3-1 b load.
