SAMSUNG

Brilliant value, every day

S22E200B

21.5" desktop monitor

Eco-friendly. User-friendly. Extremely budget-friendly. That's what the Samsung S22E200B 21.5" monitor is all about. A perfect value monitor for everyday tasks, the Samsung S22E200B features approximately 30% recycled material, less than 0.1W Off Mode power consumption, and a simple and easy-to-use design, all at a reasonable cost. A low-glare commercial-grade TN panel, VGA and DVI connections, a matte black bezel with clearly labeled buttons, speaker bar compatibility, VESA mount compatibility and a 3-year warranty round out the features of the Samsung S22E200B. It's a hard-working, economical monitor for business, today and in the future.

Key features

Environmentally friendly
Industry-leading features include approximately 30% recycled material, less than 0.1W Off Mode power consumption, Eco features to reduce power consumption when the monitor's in use, and fully recyclable packaging.

Impressive picture quality
The LED-backlit LCD screen delivers sharp, bright, beautiful images. Mega infinity dynamic contrast ratio ensures subtle detail even in the lights and darks, and MagicAngle technology delivers improved color even when viewed off-angle.

Slim design that fits any desk
The sleek, stylish design and low-profile stand take up less desk space and contribute to a cleaner-looking office. The built-in cable management feature also contributes to a clutter-free work environment.

Easy on the eyes
When Eye Saver Mode is active, blue light levels are lowered, for reduced eye strain during long work hours. Flicker-free technology adds further viewing comfort by eliminating flickering at all levels of brightness.

Speaker bar ready
The Samsung SPU10 (sold separately) is designed to be attached seamlessly to the back of compatible Samsung monitors. It adds rich stereo sound without taking up an inch of desk space.
