Samsung Multifunction Xpress C460FW

Compact Color Laser Printer with Mobile Printing Flexibility

The Samsung C460FW can handle everything you throw its way with the greatest of ease. Its 4-in-1 functionality lets you print, copy, scan and fax in a snap. There's even one-touch Wi-Fi Protected Setup to help you save time, and an Eco button to save paper and toner. With the printer's NFC Technology, printing wirelessly from a mobile device is a breeze. Just tapping your smartphone or tablet is all it takes. The printer's ultra-small footprint means it fits virtually anywhere in your home or small office. And as for brilliant color, it's ensured by Samsung's latest image processing and polymerized toner formulation. The Samsung Multifunction Xpress C460FW.

Get Print on Tap

Near Field Communication (NFC) printing is a wireless sharing technology that enables your mobile device to connect to and communicate with your printer. Simply Tap your phone or tablet to your multifunction printer, and print.

Eco Button

The one-touch Eco button allows you to customize your output to save toner and paper.

Easy Mobile Printing

Scan or print from your iPhone, iPad, Android or Windows® Phone mobile devices with the Samsung Mobile Print App. You can print websites, images, PDFs, Google Docs and Microsoft® Office documents via wireless network or Wi-Fi Direct without the need for a computer.

Brilliant Color Technology

Samsung's latest image processing technology, ReCP, and our polymerized toner combine to deliver vivid professional color with exceptional clarity of both text and graphics.

One-Touch Wireless Setup

Just press the WPS button (Wi-Fi Protected Setup) on your router and on the C460FW, and your MFP automatically configures and connects to your wireless network.

Compact and Quiet

With a small footprint, the C460FW takes up very little space. And with sound levels of less than 48dBA, you'll barely notice it's there.
