is all in the wrist.

SAMSUNG
Gear S2

Connect in an instant for better productivity.

Empower your staff with the tools they need right at their wrists. The circular interface and unique rotating bezel of the Samsung Gear S2 enables an unobstructed view and faster access to relevant information. Navigating through apps and widgets quickly, employees can instantly share instructions and locations with each other; and with calendar reminders and intelligent notifications, they can efficiently manage their workday. Plus, activity tracking allows your employees to monitor their health and daily activities.

Increase efficiency around the clock.

Give your team the power to keep going without interruption. The Samsung Gear S2 has an impressive battery life – with built-in wireless charging and the included wireless charging dock, it's easy to keep powered up throughout the workday. Once paired with a compatible Android™ phone, 3G or 4G² standalone capability³ lets you make calls directly from your wrist – even when your phone isn't close at hand⁴ – thanks to a built-in speaker and microphone. And with an IP68⁵ rating, the Samsung Gear S2 has the durability to stand up to dust, dirt, water and sweat.

Experience the freedom of versatility.

The Samsung Gear S2 is more adaptable than ever with compatibility to many Android™ devices.⁶ After the initial setup, the Samsung Gear S2 can work on its own even if your phone isn't nearby.⁴ And with on-board sensors, including an Accelerometer, Gyroscope, Barometer, Heart Rate Monitor and Ambient Light, your team can develop custom applications or select from the rapidly expanding Samsung Gear S2 third-party application ecosystem.

Make lasting impressions.

Whether in high-pressure meetings or in the field braving the elements, the Samsung Gear S2 has a classic design that is comfortable to wear. With elegant curves, a thin profile, and customizable faces and bands, the Samsung Gear S2 makes a statement.
