SAMSUNG

Powerful tools for maximized productivity

SAMSUNG **Galaxy Tab® A**

Maximize mobility and productivity while ensuring security

Empower your team to work from anywhere. The Samsung Galaxy Tab® A tablet 10.1" is a powerful business tool designed to improve productivity and workflow efficiencies throughout the mobile enterprise. Productivity is improved through real-time LTE communication, and the preloaded Microsoft Office suite allows workers to create and work as if they were still on desktop or laptop PCs. And Samsung Knox™ enterprise-grade security protects sensitive data.

Facilitate mobility anywhere

The thin, lightweight design of the Galaxy Tab® A tablet allows employees to work from anywhere, and enables better productivity, collaboration and communication. With up to 13[1] hours of battery life, it can be productive all day. Add an optional keyboard and a case with stand for a powerful productivity solution.

Microsoft® Office® for Android™ apps pre-loaded for productivity enhancement

Optimized for Android™, Microsoft® Office® for Android™ apps come pre-loaded on the Galaxy Tab A tablet to improve productivity. Use Word, Excel and PowerPoint to conveniently view, create and edit documents, spreadsheets and presentations, and easily switch between PC and tablet to open and update your files from anywhere with Microsoft® OneDrive® cloud storage.

Powerful performance

Android™ Marshmallow 6.0 provides enhanced business features such as battery-saving capabilities, device-sharing safeguards and automatic encryption. Connectivity includes Dual Band Wi-Fi®, Wi-Fi Direct®, Bluetooth 4.2 and Sprint LTE. And a 2.0 GHz octa-core processor provides powerful performance.

Samsung Knox™ enterprise-grade security

Samsung Knox™ provides multi-layered device protection and separation of corporate and personal data, and complements and improves existing MDM infrastructure without adding complexity. Knox customization allows tailoring to specific business needs.
