

# Work without your laptop.

No need to bring your laptop everywhere. A computer experience is always possible with your Galaxy smartphone and Samsung DeX. Just dock your Galaxy S9 | S9+, S8 | S8+ | S8 Active or Note8 into the DeX station and connect to a monitor, keyboard and mouse.<sup>1</sup> Now you can open apps, use keyboard shortcuts and drag and drop files, all on the big screen. Or plug into the DeX pad with your monitor or hotel TV, and turn your Galaxy device into a touchpad and keyboard that let you easily navigate your DeX desktop experience, all while charging your Galaxy device. Whether you extend your Galaxy S9 | S9+ or other Galaxy smartphone through the DeX station or the DeX pad, Samsung enables you to stay productive from almost anywhere.

## Samsung DeX Productivity

### Simple

Just dock your smartphone into the DeX station to work in an optimized desktop experience for Android apps.<sup>2</sup> Or plug DeX pad into your hotel TV or monitor to turn your Galaxy S9 | S9+, S8 | S8+ | S8 Active or Note8 into a touchpad and keyboard that let you easily navigate your DeX desktop.

### Convenient

Use your Galaxy device in a desktop environment without having to transfer data or files to a separate computer.

### Secure

Your Galaxy smartphone remains protected by Samsung Knox™ defense-grade security,<sup>3</sup> so the apps and data you access with DeX are safe and secure.

# A desktop experience from your smartphone.

## Samsung DeX Extends your Galaxy Smartphone with a Desktop Experience

- Provides an easy and intuitive work experience through a familiar interface for multi-tasking
- Supports the ability to resize, move and maximize/minimize app windows
- Keyboard/mouse optimization supports keyboard shortcuts, copy and paste, mouse scroll, and drag and drop functions

## Samsung DeX Offers a Desktop UX for your Android Apps

- Samsung Internet: Use multiple browsers and tabs with desktop versions of the websites
- Microsoft Office and Adobe apps are optimized for DeX with keyboard/mouse and resizable windows support
- Most Samsung preloaded apps are optimized for DeX
- Many existing apps not yet optimized are still accessible with DeX

## Samsung DeX Offers an Optimized Windows VDI Solution

- When combined with VDI partner solutions, work is even easier with a virtual Windows desktop<sup>2</sup>
- Access full Windows desktops and apps through a VDI solution partnership<sup>2</sup> including Citrix, VMWare and Amazon

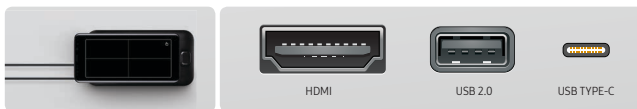

## DeX Station

- Connect your Galaxy S9 | S9+, S8 | S8+ | S8 Active or Note8 to the DeX station<sup>1</sup> to get more done
- HDMI Out
- USB 2.0 (2)
- Wired Ethernet
- USB Type-C Power In

## DeX Pad

- Plug your DeX pad<sup>1</sup> into your hotel TV or monitor, and turn your S9 | S9+, S8 | S8+ | S8 Active or Note8 into a touchpad and keyboard that let you easily navigate your DeX desktop
- HDMI Out
- USB 2.0 (2)
- USB Type-C Power In
