

# Samsung and Pearson combine to engage and inspire readers for faster growth

Samsung Literacy Lab features 11.6" Samsung Chromebook 3 OR 9.6" Samsung Galaxy Tab® E, plus Pearson iLit

## See real results with a system designed to deliver two grade levels of reading growth in a single year

Inspire your students to new levels. Samsung's Literacy Lab is a complete, mobile instructional solution, designed to engage and encourage readers grades 3 to 12. The Literacy Lab pairs your choice of a Samsung Chromebook 3 or Galaxy Tab® E with Pearson's industry-leading iLit literacy program and professional development. It's a mobile solution that's easily transported, to reach students wherever they are. Help tomorrow's thinkers and creators and teachers to excel. Offer them all the benefits of the Samsung Literacy Lab.

- Slim, streamlined profile of just 0.38" thin and light weight of just 1.21 pounds makes it easy for young hands to handle
- Fast 1.2GHz Quad-Core processor

## Choose a single or multi-year license for the Pearson iLit solution that best meets your needs

Pearson iLit is a comprehensive digital reading intervention with a proven instructional model designed to deliver two grade levels of reading growth in a single year. Through a platform that creates an interest in reading, it helps improve vocabulary, comprehension and writing skills.

### iLit20

#### iLit 20 (Grades 3-12)

A flexible implementation model used 15-20 minutes per day, two to five times per week, to supplement a core ELA curriculum.

### iLit45

#### iLit 45 (Grades 4 to 10)

An ELA solution for on-level or below-level readers. Designed for a dedicated 45-minute class period to complement or replace a core ELA program.

### iLit90

#### iLit 90 (Grades 4 to 10)

A complete ELA Curriculum for readers two or more years below grade. Designed for 90-minute instructional intervention blocks.

### iLitELL

#### iLit ELL (Grades 4 to 12)

iLit ELL contains extensive supports and scaffolding for ELLs. It is ideal for pull-out classes, intervention classes with a high population of ELL students, or as a core or designated English Language Development (ELD) curriculum.

## Samsung's Literacy Lab includes one day of professional development

### Pearson Professional Development

Pearson is committed to a close and enduring partnership with every district that implements iLit. At the core of that partnership is professional development tailored to district needs and ongoing performance data. Included at no charge with the purchase of Samsung's Literacy Lab is one day of professional development, designed to help ensure that best teaching practices are integrated into classroom practice.

## Pearson iLit Literacy and ELL Solutions

Pearson iLit is a comprehensive literacy program for teaching your ELA and ELD standards. Individual, small group, and whole-class instruction is personalized based on a constant stream of data from a wide range of embedded assessments, including text-based performance tasks. iLit engages students like no other reading program through a vast digital leveled library of thousands of high-interest texts, instant support, engaging activities, and built-in reward systems that motivate students and track their progress. Four versions meet your unique needs to accelerate student performance in reading, writing, speaking, and listening for all learners. Inspire students, inspire teachers, inspire literacy and language growth.

- Create interest in reading with a leveled e-library of more than 2,000 high-interest books
- Bridges where students are today to Common Core rigor
- Dynamically adapt instruction and texts to students' learning levels
- Literacy skills can be applied to other subject areas, to improve overall learning
- Social interaction with class polls, student-to-student discussion and teacher-to-student feedback
- Personalization with a gaming interface and a customizable work space
