

SAMSUNG HeartWise

App Installation Guide

For Android Phones

App installation

For Android phones

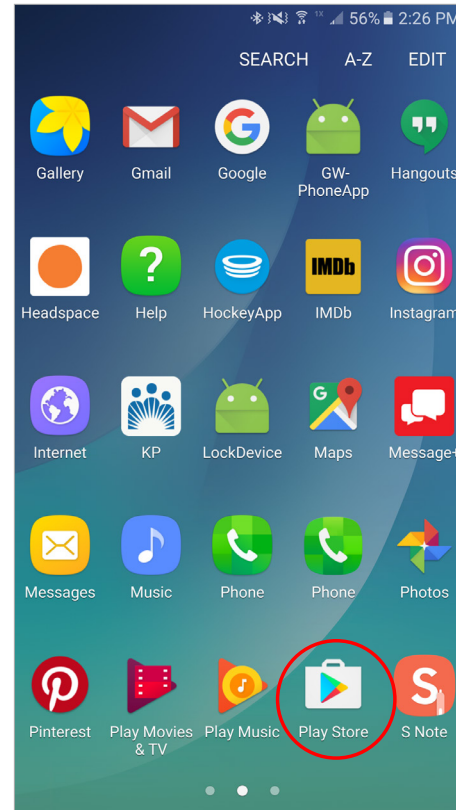

STEP 1

Tap the Apps icon on the bottom right of the home screen.

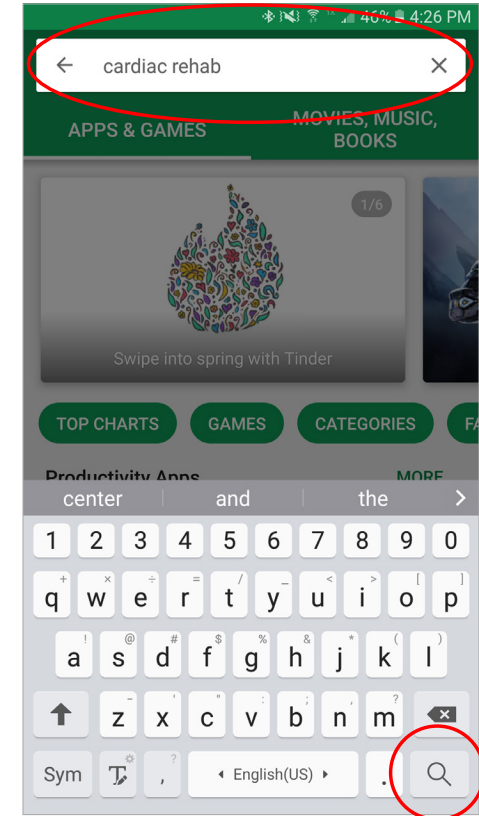

If you don't have the Apps icon on your home screen, swipe up to see all apps.

STEP 2

Search or swipe left and right until you find the Play Store icon, then tap it to open the Play Store.

STEP 3

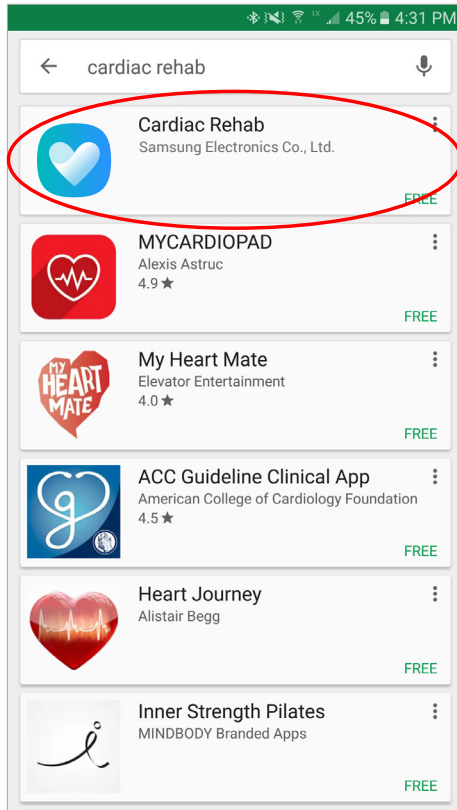

Tap the search bar or the magnifying glass icon at the top. Then type in the app name "Samsung HeartWise", and tap the magnifying glass at the bottom right.

App installation

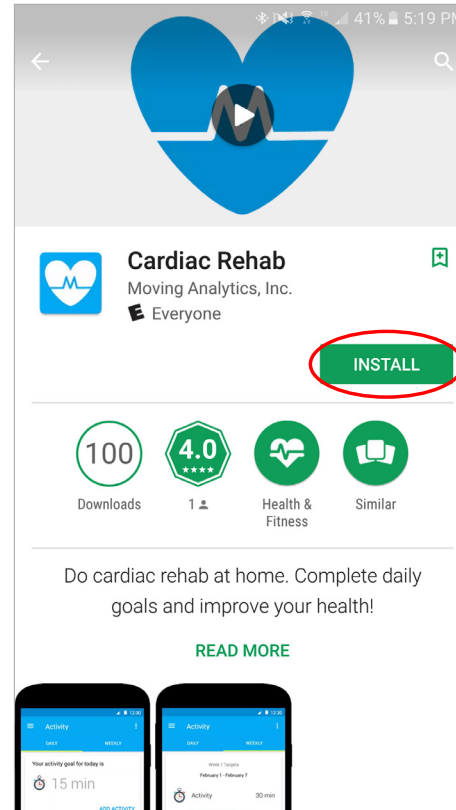

For Android phones

STEP 4 (placeholder)

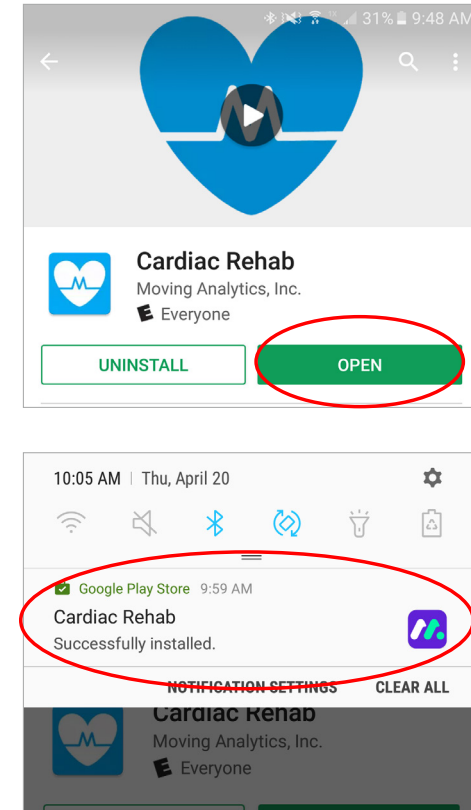

Search results will be presented in a list. Find the Samsung HeartWise app by Samsung. Tap on the card. This will bring up the description, screen-shots, and reviews.

STEP 5 (placeholder)

Tap on the INSTALL button. You might be prompted to provide certain device permissions for the installation, then tap ACCEPT to continue.

STEP 6 (placeholder)

Once the installation is complete, you can tap the OPEN button. Or swipe down the quick panel from the top and tap the notification to open it. Otherwise, the app will be accessible in the app drawer by tapping on the Apps icon.
