# Commercial outdoor displays for quick service restaurants.

Samsung's OM and OH series outdoor signage solutions help companies communicate with their customers in the most efficient and optimal way. In industries where every second counts, downtime is critical and a 3-5 day average repair window is not an option. Samsung ProCare technology protection for Outdoor Displays provides two Fast Track with White Glove services, depending on display size. Reduce downtime and be back up and running quickly. **Just call 1-866-SAM4BIZ.**
