## Commercial outdoor displays for quick service restaurants

Samsung's OM and OH series outdoor signage solutions help companies communicate with their customers in the most efficient and optimal way. In industries where every second counts, downtime is critical and a 3-5 day average repair window is not an option. The Fast Track with White Glove service from Samsung Protection Plus<sup>SM</sup> (SPP) provides 7-day a week service delivery, excluding holidays, which includes Next Day on-site exchange and installation of the display.

Reduce downtime and be back up and running quickly. With SPP, you'll be ready. Just call 1-866-SAM4BIZ.
