

U Match

INNOVATED DUCTLESS INVERTER HEAT PUMP SOLUTIONS

U-MATCH INVERTER HEAT PUMP

Each U-Match heat pump is powered by Gree's energy efficient G10 inverter and a variable speed compressor. Our G10 inverter technology saves energy, reduces outdoor noise and keeps room temperature steady by eliminating the harsh starts & stops of conventional systems. And they're available in a full range of capacities to perfectly match any size space, large or small. Best of all, the ultimate in reliable room comfort is generated with Eco friendly R410A refrigerant.

Features and Benefits:

- G-10 Inverter control
- Heavy Gauge Steel Cabinet
- Sound Levels down to 56 DB
- Low Ambient Cooling down to 5 deg F
- R410A Refrigerant
- Multi-point Diagnostics

*Based on Ceiling Cassette Indoor Unit

CEILING CASSETTE

Gree's Ceiling Cassette will inconspicuously provide quiet performance through innovative design. The Ceiling Cassette is extremely suitable for any room, and can be easily installed in suspended ceilings with only a discreet decorative discharge grille visible. Gree's fan technology quietly and evenly distributes conditioned air throughout the room, and an internal condensate pump reliably disposes condensate water to a safe location. The Ceiling Cassette is ideal for light commercial applications which require comfort control in large, open spaces. Each Ceiling Cassette can be operated by an infrared remote control or wired tether controller, allowing maximum flexibility for any application.

Features and Benefits:

- 4 - way Discharge Air
- Multi Speed Fan
- Remote Control Lockout
- Swing Louver
- Cleanable Air Filter
- Decorative Discharge Air Grille (sold separately)
- IR Remote Control and Tether Wired Controller
- Power Failure Recovery
- Internal Condensate Drain Pump
- Sentry Float Switch

SLIM DUCT

Compact and powerful, the Gree Concealed Duct indoor units offer the ultimate in flexibility and discretion. These slim indoor units are designed to be concealed above suspended ceilings or within open closet spaces to deliver conditioned air via ducting and suitable ceiling or wall grilles. This arrangement provides immense flexibility, in terms of both the distribution of conditioned air and the type of grille or diffuser that best complements the room's styling. Each unit comes with an easy to operate wall mounted tether controller.

Features and Benefits:

- Medium Static Pressure Capability
- Slim Line Construction 7-7/8" high
- Flexible Return Air From Bottom or Rear
- Internal Condensate Drain Pump
- Sentry Float Switch
- Environmentally Safe R-410A Refrigerant

UNIVERSAL FLOOR/CEILING

Gree's Universal Floor/Ceiling indoor units are designed to be suspended from a ceiling or mounted low on a wall. The slender and lightweight design is perfect for restaurants or hallways where wall space is limited. Aesthetically pleasing to the eye, the Universal Floor/Ceiling units are a great fit beneath windows, in public or light commercial applications. Each unit can be operated by an infrared remote control or wired tether controller to allow maximum flexibility in any application.

Features and Benefits:

- 4-way Discharge Air
- Multi Speed Fan
- IR Remote Control
- Tether Wired Controller
- Swing Louver
- Remote Control Lockout
- Power Failure Recovery

A COMPANY FOUNDED ON QUALITY AND VALUE

GREE Electric Appliances, Inc. is the world's largest specialized air conditioner manufacturer, selling more than 100 million units in over 100 countries since 1991. The GREE brand is world-renowned for engineering 7,000 different models in 20 product categories, developing 3,000 worldwide technical patents and pioneering the Variable Refrigerant Flow system that has revolutionized modern day comfort.

GREE prides itself on the reliability and quality of its products. World class, state-of-the-art quality control methods are employed throughout the manufacturing process, including the use of a separate plant where all key components are pre-tested. More than 1,000 Research & Development technicians spend each day pursuing new and innovative designs as a commitment to ensuring customers always receive the highest quality for the best value in the world.
