

NEW

Curbside Express Features

Powerful enhancements are here for the HVAC Pro+™ Curbside Express feature.

Benefits For You:

Streamline pickups using runners or other staff

Stores are alerted when runners have checked in

Assign orders without giving account access

Scan QR code to download the HVAC Pro+™ Baker mobile app

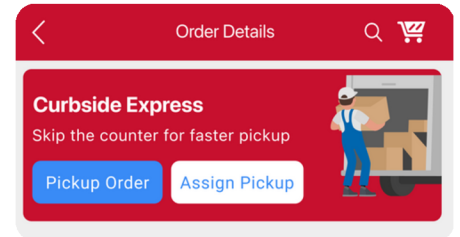

HVAC Pro+™

Baker
Distributing Company

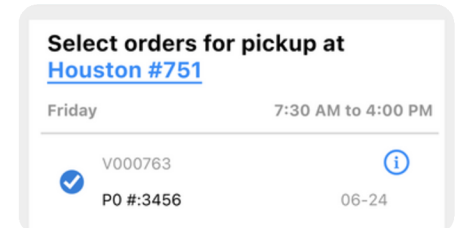

1

Authenticated users assign an order to a runner directly in the app

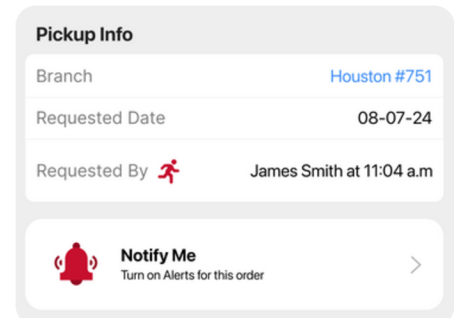

2

Runner receives a link to check-in for that order's Curbside Express

3

They check-in without needing an account before arriving.

4

Store validates and preps the order
