METAL DISTRIBUTORS

“The HVAC Supplier of Choice”

Our Story *Homegrown - Proud of it!*

We are the wholesale distributor of choice because we supply quality, affordable HVAC equipment, parts, and supplies to Dealers and Licensed Contractors in the commercial and residential markets. We are fully aware that loyalty is about more than the products we provide.

It's about service to our customer. From one office in Durham, North Carolina in 1954, we have grown to forty-seven locations throughout the Southeast and Midwest. In December 2004, we were proud to become part of Watsco, Inc., the largest independent HVAC/R distribution company in the world. With over 350 employees working daily to meet your needs, East Coast Metal Distributors has a location near you to support your business and success.

We deliver the products and technical expertise to solve even the most unique HVAC challenges. Our products, professional service centers, and technical support combine to give you exceptional service before, during, and after the sale. This is our commitment to you. We are dedicated to fulfilling this.
