

SimpleStock

Simply restock your inventory.

Simply manage your inventory with **SimpleStock**, now available on the East Coast Metal Distributors mobile app and website.

Inventory management right at your fingertips

SimpleStock from East Coast Metal Distributors gives you the control to manage your inventory with the tools you already have. Simply reorder what you need, when you need it, from your laptop, tablet or phone.

SimpleStock has no up-front costs nor does it require the purchase of expensive hardware. And we know your time is valuable, so expect no labor-intensive set-up or continuous maintenance.

SimpleStock is ideal for those who experience a delay in jobs due to stock outs or manual ordering of product.

SimpleStock helps prevent overstocking of unnecessary items, excess inventory and high write-offs.

Simply restock your inventory.

Manage stock from anywhere

Manage your inventory 24/7 from any device and set up inventory levels based on actual consumption data.

Maximize customer satisfaction

Ensure technicians have what they need to get the job done the first time ensuring customer satisfaction.

Optimize your cash flow

Replenish stock based on actual usage so you can manage your cash flow better.

Save time and money

Minimize unnecessary trips to the supply house while you increase billable hours.
