

2021 Daikin *Ductless Design Pro* Contractor Program

Set Yourself Apart from the Competition

IND

2021 Daikin *Ductless Design Pro* Contractor Program

The 2021 Daikin *Ductless Design Pro* Contractor Program is designed to provide residential Daikin Ductless contractors with a powerful suite of marketing and business tools to drive sales growth and profits, setting Daikin *Ductless Design Pro* contractors apart from the competition.

Through our outstanding accrual program, the Daikin *Ductless Design Pro* contractor will have the opportunity to earn generous accruals on Daikin ductless and *SkyAir* equipment. The 2021 Daikin *Ductless Design Pro* contractor program is flexible and easy to use, bringing together distributors and their contractors with our best products and services. All of this is backed up with a high level of support, which you expect to receive from a manufacturer and distributor.

Flexible and
Easy to Use

LEAD GENERATION

Daikin is committed to providing the Daikin *Ductless Design Pro* contractor with industry leading web-based lead generation programs designed to "make the phones ring" for our Daikin Pro partners. Daikin has teamed with cutting-edge technology companies to provide the Daikin *Ductless Design Pro* contractor with search engine marketed lead results that can dramatically increase lead traffic for our dealers in their local geographies.

ADVERTISING

To help increase sales and profits, Daikin *Ductless Design Pro* contractors will have access to professional advertising tools that highlight the contractors' professionalism. Choose from a full assortment of print campaigns and SEO & SEM internet options. Contractors can utilize these choices of advertising mediums as well as their choice of ad agencies to help retain and grow their existing customer base.

SALES AND MARKETING

Daikin offers outstanding contractor website solutions to assist homeowners in the HVAC replacement decision-making process. We have also created online tools that will assist in providing lead generation materials and information, at your fingertips. In addition, consumer product literature will help you present a professional image during the sales process. Advanced SEO & SEM internet tools can help generate new qualified sales leads and get new customers through your company's website.

CONSUMER FINANCING

Consumer financing can be one of your most effective tools when closing the sale in the home. Closing sales with Consumer Financing takes your customer off the market, and helps you gain additional market share, increased profits through up selling, and a quicker close at the kitchen table.

Daikin *Ductless Design Pro* contractors will have access to competitive and innovative Consumer Financing programs that allow our contractors the potential to close more jobs enjoy higher average tickets, and increased gross margin dollars on those jobs.

2021 Daikin *Ductless Design Pro* Contractor Program

DAIKIN *DUCTLESS DESIGN PRO* CONTRACTOR ACCRUAL PROGRAM

The 2021 Daikin *Ductless Design Pro* program features a 1.25% accrual rate calculated at list price on all Daikin Ductless and *SkyAir* serialized equipment purchased through the contractor's Daikin Ductless distributor. The Daikin *Ductless Design Pro* program will allow contractors to maximize their marketing efforts, by allowing them to earn and utilize valuable accrual funds. These accrual funds can be used for consumer advertising, SEO & SEM efforts, sales and technical training, and much more. All of these contractor benefits are accessed through an easy and straight-forward accrual program. And since it's an accrual fund and not a "co-op", 100% of the accrued funds are available once the program minimum purchase requirement has been met to help Daikin *Ductless Design Pro* contractors with their marketing and advertising lead generation activities.

Maximize Marketing Efforts
