2017

PROGRAM

April 1 - September 30, 2017
GEM/IRE.COM

FRESH-AIRE UV[®]

APCO[®]

WHOLE-HOUSE AIR PURIFIER

air SMART[™]

IAQ

DETOX the AIR!

APCO[®] combines UV-C light and activated carbon cells to purify all the air in your home without harmful ozone. APCO's revolutionary design is proven effective against both biological contaminants and odors/VOCs.

APCO[®] & Blue-Tube UV

Monitor, Control & Clean Indoor Air

AirSMART IAQ[™] includes 3 devices in 1 package. The Foobot air quality sensor detects poor air quality and sends a signal (via Wi-Fi) to the Lux[®] Geo thermostat which in turn switches the air system to circulation mode. This allows the APCO[®] whole-house air purifier to clean the air even when the air system isn't heating or cooling the home. A smartphone APP provides control and real-time air quality information.

BLUE TUBE UV[®]

World's most popular UV light

FRESH-AIRE MINI UV[™]

The first UV light for mini-splits

Spring-Summer Parts Stocking Program April 1 – September 30, 2017

This season there are three pricing levels, securing the respective pricing between your initial order date and program conclusion (September 30, 2017).

- Stocking order of \$500 earns you Level 1 pricing
- Stocking order of \$1,000 earns you Level 2 pricing
- Stocking order of \$1,500 earns you Level 2 pricing **plus** 90 day terms (*contingent on credit approval*)

To participate in our bi-annual program, please contact your Territory Manager, visit your local branch, or call Gemaire at 1-800-226-2665. You can also visit Gemaire.com for full program details that are outlined in this booklet.

We look forward to partnering with you as your local Parts and Supplies provider!

Price Levels are identified herein. Some items, particularly tools and instruments, only have one price level. Program dates are April 1, 2017 through September 30, 2017. Prices subject to change.

Fieldpiece Of Mind

When your tools work as hard as you do

NEW!

BG44
HVACR Service
Tool Bag

- Elevated tool rack
- Padded pockets
- Lightweight & durable
- Quick release single strap

SC660
Loaded Clamp Meter

Introducing
**THE NEW STANDARD FOR SIMPLE
CONNECTIVITY**

Lyric™ T6 Pro Wi-Fi

Honeywell T Series

The Honeywell T Series is a portfolio of non-connected and Wi-Fi connected thermostats designed with contractors in mind. With simple functionality that's easy to use, and smart features that are easy to love, the new Lyric T6 Pro Wi-Fi enables you to deliver in-demand connectivity without the complexity.

If you're not a Nest Pro, you should be!

And, it's easy to become one.

Register as a Nest Pro

If you are not a Nest Pro, visit pro.nest.com to get registered. The process is quick, and only Nest Pros can:

- Offer the 5-Year Extended Pro Warranty
- Get contact information displayed on the thermostat
- Purchase Personal Use Units, deeply discounted units of each product
- Get free customer leads through the Nest Pro Finder
- Access exclusive training resources and marketing tools
- Get dedicated 24/7 Technical Support 855-VIP-NEST

If you are a Nest Pro

You should know your Nest Pro ID, a 6 digit code unique to you. To find your Pro ID, log in to the Nest Pro Portal and it will be displayed in the rightmost corner of the screen. Pro ID is needed to:

- **Activate 5-Year Warranty:** Input your Pro ID into 3rd gen Learning Thermostats upon installation to activate a 5-Year Pro Warranty. That is a three year extension to the standard two-year warranty.
- **Display your contact information:** When you input your Pro ID upon thermostat installation, your organization's contact information will be displayed on the screen when servicing is needed. This ensures you are the pro they will call when they need help.

Linebacker® Surge Protector

- TPMOV technology
- NO/NC relay to disconnect equipment and/or activate indicator
- Easy installation at condensing unit
- Green LED indicates surge protection status
- Weatherproof housing
- 3 year product warranty
- 3 year connected equipment guarantee

JV1

**Jones Valve, Condensate Drain
Cleanout Valve**

- Attaches to a CO₂ or Nitrogen tank
- Durable, Schedule 40 PVC material
- Condensate line size: 3/4"
- Hose connection size: 1/4" male flare (with Schrader)
- U.S. Patent No. 8,375,977
- 1 year warranty

RLC051

Residential HVAC Air Trap™

- For positive or negative pressure
- Eliminates "dry-trap" syndrome

PWSL900

Portable Workshop Light

- 900 Lumens
- Rechargeable lithium-ion battery
- 180° rotating hooks on each handle
- Magnetic swivel handles
- 12V car adapter included
- Wall adapter included

M500

**Electronic Insulation Resistance
Tester**

- Check compressor windings before they fail
- Range: 20 - 1,000 Megohms

MT512E2HP

Medium Temperature Controller

- Single relay output
- Manual defrost control
- Min/ max record
- One temperature sensor

LEAK SEEKER® II

Simply Turn It On And Pinpoint The Leak. The world's only leak detector with fully automatic sensitivity selection and control

cps®

**THE TOOLS
PROFESSIONALS
RECOMMEND**

BLACKMAX® DIGITAL TORQUE WRENCH

Ideal for HVAC mini-split installations or where OEM-specified torque settings are critical, the BlackMax® digital torque wrench offers a variety of smart features that exceed the capabilities of mechanical-only torque wrenches.

BLACKMAX® PREMIUM TUBE BENDERS

Solid aluminum, color-coded mandrels for soft copper and aluminum tube. Forward or reverse bends from 0° to 90°, including reverse bend mechanism for tight quarters.

5-2-1® COMPRESSOR SAVER KIT

Includes the 5-2-1 surge protector, compressor saver and new LeakGuard® A/C performance enhancer, to extend compressor life stop leaks fast and prevent future leaks.

PRO-SET® VACUUM PUMP

There are good pumps, better pumps, then Pro-Set® Vacuum Pumps. Pro-Set is your premium solution for obtaining the deepest ultimate vacuum and provide the greatest range of horsepower and free air displacement.

PRO-SET® PREMIUM PISTON SERIES

2-valve anodized aluminum block body with 1/4" SAE 45° fittings, Triple Seal™ piston valves, sure grip rubber over metal valve handles, easy-to-read 3 1/8" Class 1.0 accuracy gauges with protective gauge boots, extra access port in center with Schrader valve and hanging hook.

DIGITAL AIRFLOW AND ENVIRONMENTAL METER

Measures and records a variety of data, including: Airflow velocity, airflow volume, dry bulb temperature, wet bulb temperature, relative humidity, feels like temperature, dew point, air density, wind speed/direction/gusts, indoor vs. outdoor conditions and barometric pressure.

Export a SmarTech Verified Report and email system performance data as a PDF or CSV file that can be easily tracked and saved.

DIGITAL MICRON GAUGE

PART # UVG

Extremely accurate, durable and small enough to fit in your shirt pocket. Includes 1/4" F.F. brass adaptor, protective rubber boot, and (2) 'AAA' batteries.

- Range: 0-25,000 Microns.
- Resolution: 1 Micron (<1,000 Microns).
- Battery Life: Up to 100 Hours.
- Accuracy: 5% of Reading +/- 5 Microns.
- Oil sensor that eliminates false readings and displays "OIL" when sensor needs to be cleaned.
