

# STARK

## OMNI COLLECTION

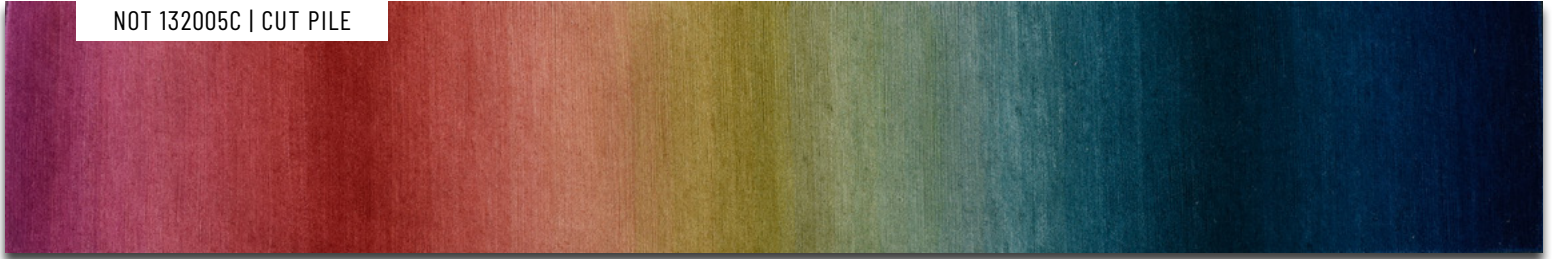

---

For the ultimate in design luxury, allow us to bring your ideas to life with the STARK Custom Design Studio. Immerse yourself in our extensive archive of designs, fabrications, and colors, or work with our custom design professionals to create a completely new concept. From Axminster to Wiltons, there is no limit to design possibilities with STARK.

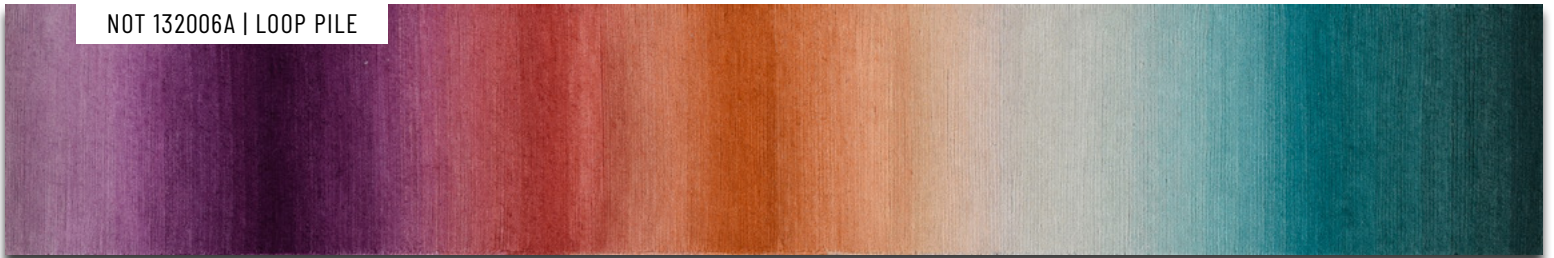

Our experts will create a cohesive collaboration between the designer and STARK from beginning to end. Every step of the processes is fine-tuned and carefully detailed to meet your exact wants and needs. Our team will work with you to determine the type and quality of carpet best for you, and help you select the colors of your piece. To bring your ideas to life, the STARK design studio will create a rendering to show exactly how the pattern will appear in the final production.

The ultimate result is a totally custom designed carpet that meets the stringent standards of STARK. Your custom rug or carpet will be carefully finished with the care and touch of one of our highly skilled master artisans.
