

Kill & Seal™ Mouse Trap

Instructions

1. Remove bait hatch from the top of the trap.
2. Turn the hatch upside down and bait with peanut butter or anything high in protein like chocolate or hazelnut spread. Be sure to use a Q-tip, toothpick or another tool to bait so your scent is not transferred onto the trap.
3. Replace the bait hatch.
4. Set the trap by turning the red lever on the trap until you feel it engage and set.
5. Place the trap where you have seen signs of rodent activity or along the wall where rodents primarily travel. The trap should be placed lengthwise against the wall with the entrance hole nearest the wall.
6. After mouse has been caught, dispose of the trap. This trap cannot be reused.
