The Right Choice. Right Now.

4HP13

HEAT PUMPS

GET RELIABLE COMFORT
AND GET IT NOW.

**A RELIABLE CHOICE IS ALWAYS
THE RIGHT CHOICE.**

What makes the Concord™ 4HP13 heat pump the perfect choice is the decision you don't have to worry about. You don't have to choose between reliability and affordability. With Concord, you get the best of both worlds—right now and for many years to come.

SOME DECISIONS ARE TOUGH. THIS ONE ISN'T.

When you consider Concord systems, quality and value are givens. You're getting peace of mind with great features and smart designs that squeeze more efficiency out of every energy dollar. And best of all, you get it right now.

Designed for comfort all the way through.

Every Concord 4HP13 is built to enhance your home in every way, so you'll find quality components like a reliable scroll compressor and protective, rugged cabinet. Each of the units is factory tested to ensure your heat pump works exactly as it should.

Energy savings.

Rated at up to 13 SEER (Seasonal Energy Efficiency Ratio) and 7.7 HSPF (Heating Seasonal Performance Factor), you can expect the 4HP13 to run efficiently in any weather. No matter what's going on outside your home, you can count on it to keep you comfortable.

Over the years, a hardworking Concord heat pump can save you hundreds of dollars on utility bills.

U.S. Average Five-Year Electric Cumulative Energy Savings for High-Efficiency 13 SEER Air Conditioners vs. 10 SEER. Energy Efficiency and renewable Energy Network, U.S. Department of Energy. The U.S. national average is used for electricity consumption. Actual cost savings may vary depending on personal lifestyle, system settings, equipment maintenance, local climate, actual construction, installation of equipment and duct system, hours of operation and local utility rates. This information is intended as an example for comparison purposes only.

Choose the outdoor unit with an "inside voice."

For the right balance of peace of mind and peace and quiet, the 4HP13 automatically shifts to defrost mode without making any excessive noise. This kind of smooth and reliable performance speaks volumes about why a Concord choice is the smart choice.

THE FULL-FEATURED CONCORD™ 4HP13 IS THE RIGHT CHOICE, RIGHT NOW.

- 13 SEER and 7.7 HSPF can deliver significant energy savings, even during the hottest summer months
- 10-year limited warranty on the compressor and parts* means lasting peace of mind
- Entire unit is 100% factory run-tested to help deliver the highest possible level of reliability
- Permanently lubricated condenser fan motor needs no annual maintenance
- Quiet Shift™ design allows your heat pump to change to defrost mode with little or no noise
- Dual-Fuel compatibility allows the heat pump to be paired with a matching gas furnace for even greater efficiency

**Applies to residential applications only. For terms, conditions and exclusions, see full warranty at alliedair.com.*

MAKE THE CONCORD DECISION YOU WON'T REGRET.

When you think about everything Concord delivers, your decision is no decision at all. With Concord, all your heating and cooling questions are answered. The performance and reliability you want are right here, and ready to go to work.

Concord. It's the right choice. Right now.
