The Leadership & Technical Development Program (LTDP) will provide you the foundation for future success as a selected member of Caterpillar’s technical community. Opportunities are endless.

LEADERSHIP & TECHNICAL DEVELOPMENT PROGRAM (LTDP)

Caterpillar hires top talent — and this program is all about grooming the next generation of industry leaders and technical experts. The purpose of Caterpillar’s LTDP is to harness your ability and energy, and groom you through training and development so that you may not only fulfill your personal career and development ambition, but provide excellent service to Caterpillar and especially, Caterpillar customers.

You will gain a wealth of experience while in the development program. LTDP offers you a broad exposure to Caterpillar, presents diverse project responsibilities, engages you in global teams, provides cross-functional job experiences, and includes valuable networking opportunities with all levels of Caterpillar leadership.

In short, as soon as you enter one of Caterpillar’s global facilities… you hit the ground running.

MY ROAD TO SUCCESS STARTS HERE

Become a genuine leader for a Fortune 50 global organization, gain deep technical experience in your chosen field, and work as part of a global team...

The Materials Engineering community includes Materials Technologies and Processes related to metallic and ceramic components, fabrications, and assemblies. It collaborates in R&D, Engineering, Manufacturing, and Supplier Development around the enterprise.
