

My Day at the Caterpillar Visitors Center

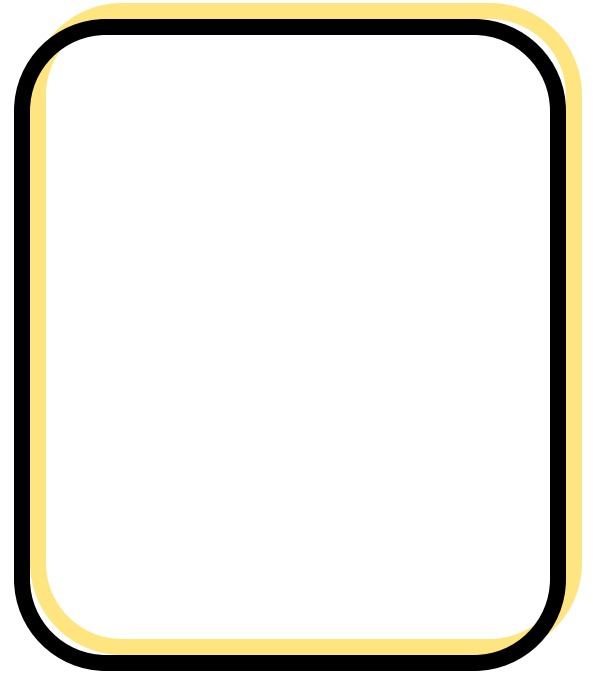

As you explore Caterpillar at the new Caterpillar Visitors Center, you will record the things you see and do. Thoughts and questions, ideas and interests. Your Cat Tale will tell the story of your visit the Caterpillar Visitors Center. Write about the cool things you see and the questions you may have. Feel free to draw a picture or two along the way. Follow the storyline to create a Cat Tale you can share with your classmates.

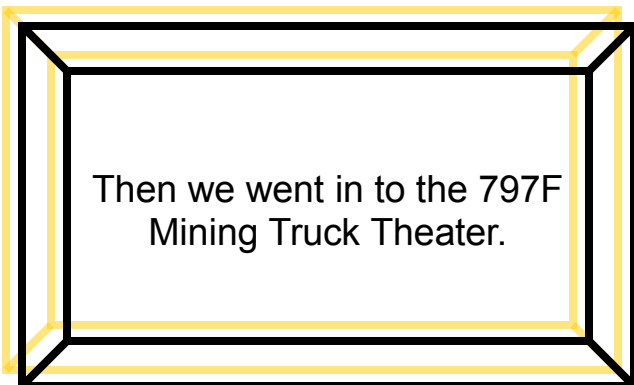

I am most excited to see...

I wonder if... _____

I went to... _____

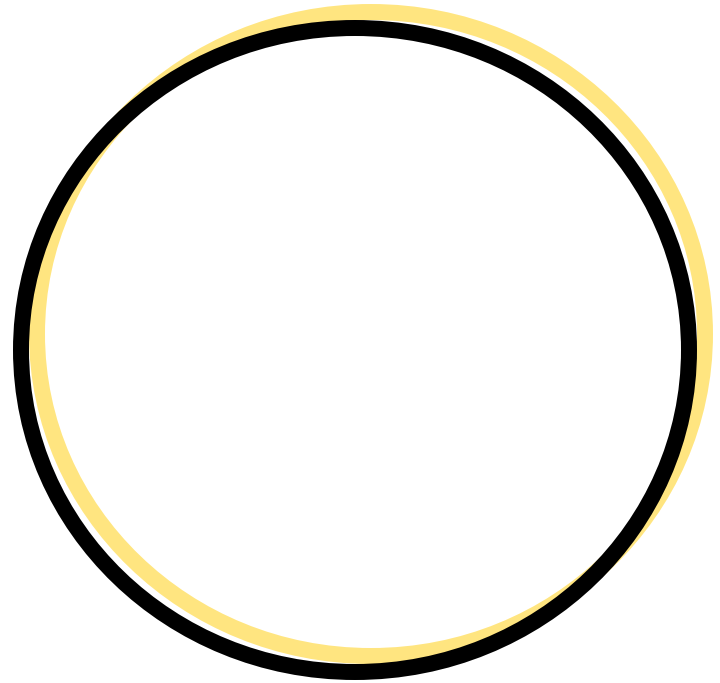

Draw a picture of the Caterpillar Visitors Center.

And I thought... _____

The first thing I noticed
when I walked inside...

Draw a picture of the first
thing you noticed.

My next stop was... _____

Where I learned...

So I asked... _____

and I found out...

Then I found... _____

It looked like... _____

I learned... _____

Which made me think...

I would like to learn more about...

My favorite part was...
