**Educator Resources** to...

- Request a field trip to the Caterpillar Visitors Center
- Access **FREE** student activities aligned to Illinois Common Core State Standards
- Print a **FREE** one day Educator Pass to preview the Caterpillar Visitors Center and prepare for a field trip

Attracting and developing the best team possible enables Caterpillar to maintain its position as an industry leader and serve its customers in diverse environmental, political and cultural landscapes. Explore our Caterpillar People At Work gallery to learn more about Caterpillar employees and career opportunities.

### **Caterpillar People**

When visiting the Caterpillar Visitors Center, chaperones/teachers and students are encouraged to look through the careers listed in the kiosks while discussing students' career interests. You will find careers ranging from Accounting to Engineering and Global Marketing listed. Engage your students by finding the positions that match the students' interests, using the map image on the kiosk to identify their location and asking students to find the listed location on the global map carpet.

### **Volunteerism and Community**

Caterpillar employees contribute a significant amount of time and resources to promoting the health, welfare and economic stability of our communities. We believe our successes should also contribute to the quality of life and the prosperity and sustainability of communities where we work and live.

### **Windows to the World**

Take time to watch the videos in this area as they showcase work being done both on the factory floor, as well as within our global offices.

### **Caterpillar University**

Caterpillar University helps employees, dealers, customers and suppliers achieve their business goals and fine tune their skills through classes, developmental opportunities and e-learning. Caterpillar University is committed to its mission to improve performance and support Caterpillar's continual learning philosophy.

### **Our Values in Action**

First published in 1974, the Caterpillar Code of Conduct sets high expectations of our principles, our beliefs and our plans to put our Values in Action across our company. In 2005 the Code of Conduct was reinforced with the introduction of Our Values In Action—Integrity, Excellence, Teamwork and Commitment.

### **Caterpillar Careers**

Take a look at the 1,004 job titles listed on our career wall. You will find everything from a tinner to the treasurer.

Visit <http://www.caterpillar.com/careers> to find information covering career areas from production, manufacturing, distribution, college/university and experienced professionals in the Americas, Europe, Africa, Middle East and Asia Pacific.. On this same website you will find information on career opportunities with
