

Cat[®] Pickup Brooms

WHEEL LOADERS
BACKHOE LOADERS

FEATURES:

Sweeping Versatility

- Cat Pickup Brooms sweep and deposit materials into an integrated hopper for easy removal and dumping of debris.
- Built for use on Wheel Loaders, Integrated Tool Carriers and Backhoe Loaders.

Integrated, Easy to Empty Hopper

- Pickup Brooms include a large hopper for greater productivity and easy removal and emptying.

Durable, Reliable Design

- Motors are protected from dust and debris—yet easily accessible.
- Caterpillar XT[™]-3 ES hoses, couplings and o-ring face seals provide superior leak free performance and reliability. All hoses are wrapped with nylon woven Codura sleeving for added operator protection.
- Broom bearings are maintenance-free for long life.

Unique Suspension System

- A unique suspension system eliminates the need for support wheels. Brush maintains constant ground pressure through a range of vertical motion from the initial setting.
- Parking supports provide stable and secure parking of the broom.

Practical, Convenient Brush Elements

- Brush bristles are made with polypropylene for durability and long brush life.
- When required, brush elements are quickly and easily replaced.

Pickup Broom/Wheel Loader and Backhoe Loader Compatibility

Recommended machine matches. Contact your local Cat Dealer for more detailed matching information.
