

## IT'S ALL HANDS ON DECK WITH CAT® MARINE PRODUCT SUPPORT.

Whether you're running a single vessel, cruise liner or an entire fleet, our extensive network of marine support experts is dedicated to delivering the power and support you can live by. With over 70 parts distribution centers strategically located in 24 countries on six continents, your quality products are never far away. Plus, our well-trained technicians can provide engine advice, preventive maintenance, and genuine Cat® parts with a one-year parts warranty to ensure your solutions don't just arrive quickly, but are also built to last.

With over 80 years of marine power experience, Caterpillar can provide the dependable, efficient service demanded in your extreme working conditions.

### BUILT FOR IT.

## GET WHAT YOU NEED WITH BUNDLED REPAIR KITS

Bundled Repair Kits were created for customization so you get every part you need and none that you don't. They reduce costs, simplify ordering and eliminate errors. And now they're even more accessible online.

Cat Bundled Repair Kits are available for 3406, 3408 and 3412 engines with C18 engine coverage coming soon.

## REBUILD YOUR ENGINE WITH REMANUFACTURED PARTS

Genuine Cat parts built, resurfaced, updated and inspected to meet our standards — but sold at a fraction of their original cost and backed by the full one-year parts warranty.

# FIND THE RIGHT SOLUTION WITH CAT

## Extended Service Coverage (ESC)

The waters are unpredictable but repair costs should never be. Our team offers Extended Service Coverage (ESC) — a protection plan for your overhauled engine anywhere in the world. When you invest in ESC, you invest in peace of mind. Find your overhaul solution and ESC information [here](#).

## NEW! 3500 Gasket Kit Coverage

Caterpillar now provides gasket kits for select 3500 engines in marine applications. These gasket kits offer easy-to-order genuine Cat parts to start your overhaul and allow flexibility to add components and ESC to complete it. See your dealer for more details.

## Tailored Support to Maintain Your Engine

Your biggest investments deserve heavy-duty support. We're here to back your vessel's engine so the more we know about it, the better we can help. When you safely register your Cat engine model with us, we'll tailor specific resources, solutions and offers to match it. Select one of three offers when you register: a free oil analysis, Operation and Maintenance Manual, or schedule a visual engine inspection – each designed to help you maintain the engine you rely on every day.
