**Your work is hard. Engine maintenance shouldn't be.
Introducing Cat® Marine Reman Solutions.**

All Marine Reman Repair options offer:

- Same-as-new performance
- Latest engineering advancements
- Solid warranty protection from Caterpillar
- Lower repair and overhaul costs
- Reduced downtime for overhaul and repairs
- Greater product availability
- Renewed engine life

THREE LEVELS TO CHOOSE FROM

**Cat Reman long blocks, short blocks and engines will get you back to work quickly.
Plus, they come with a same-as-new parts or engine warranty.**

Complete Engine: Made with state-of-the-art techniques, advanced manufacturing processes and genuine Cat parts to restore the engine back to original quality.

Long Block: Includes short block parts, as well as a cylinder head, camshaft, timing gears, lifters and oil cooler. Many also come with an oil pump, water pump and other important components.

Short Block: Consists of cylinder block, crankshaft, pistons and connecting rods.

SAME AS NEW WITH THE LATEST TECHNOLOGY

We incorporate the latest technology upgrades into every Reman part to improve its original performance. All returning core engines are disassembled into individual parts, then scrapped, recycled or salvaged to meet our Caterpillar specifications.

Choose the best option for your repair.

Reman is an excellent solution for customers with longer ownership and higher usage who need an affordable component in the shortest time possible.
