

WITH YOU ON THE WATER

CAT® MARINE PRODUCTS AND SUPPORT

HOW OUR HYBRID THRUSTER MAKES ALL THE DIFFERENCE

Hear from Jonas Nyberg, Regional Sales Manager, on Cat Marine's exciting new development in engine technology. With this hybrid system on your vessel, you can reduce fuel costs by as much as 35 percent each year. [Read more.](#)

CATERPILLAR'S LNG SOLUTIONS IN DEMAND FROM CRUISE LINES AND COMMERCIAL OPERATORS

Caterpillar is establishing a clear lead in the design and production of LNG-fueled propulsion systems through its MaK™ branded products. With a global network and industry-leading after-sales service, the company provides complete tailor-made systems extending from the shoreside bunker station to the ship's main engine and propeller, all from one supplier. New purpose-designed systems are available for a range of ship types, while the engine maker's existing marine diesel engines have been successfully modified for dual-fuel use. Learn more about MaK [here.](#)

REPAIR THE RIGHT WAY

Our Bundled Repair Solutions are designed to keep you running on the water. We offer flexible options, all customized to fit your vessel – from foundational to optimal levels each with additional coverage benefits. View all levels and details [here.](#)

FROM WAREHOUSE TO WATER IN JUST 52 HOURS

"EVERYONE DROPPED EVERYTHING" TO HELP NIAGARA JET BOAT OPERATOR

The Cat dealer network went to great lengths to keep a Niagara Falls jet boat company operating on one of summer's busiest weekends, taking just 52 hours to get a replacement engine from warehouse to water. [Read how it all happened.](#)

A NEW REMAN SOLUTION

You already know we have the repair options you need based on the wear of your engine. But now we have two new Reman kits for you to choose from that also simplify ordering and eliminate errors. [Check them out now.](#)

A CLOSER LOOK AT THE FACTS: CAT ASSET INTELLIGENCE

Imagine how much you'd know about an engine if you'd spent over 4,500 years monitoring it? How to get the most out of it, protect it and know when it's time for repairs. With 40 million hours of marine engine data, Caterpillar Marine's Asset Intelligence draws on vast knowledge and experience to help you stay on top of your engine performance and maintenance. And, most importantly, lets you stay focused on your real job—the voyage ahead. [Get the facts on Asset Intelligence.](#)

CAT MARINE RESOURCES

Always here to provide the parts, service and support you need.

STORIES FROM THE SEA BROUGHT TO YOU BY CAT MARINE

Dive into the latest issue of Wake magazine, where we celebrate our 193 years of experience in building engines and propellers, including commemorating the 150th anniversary of MaK. Then we fast-forward to innovative solutions for today's complex maritime industry such as our gas technology for LNG-fueled vessels and hybrid solutions. Read the latest edition of Wake magazine [here.](#)

SEE US IN NEW ORLEANS

We're gearing up for the International Workboat Show in New Orleans on November 30 through December 2. We'll be in **Booth 2801** with a full look at everything Cat Marine.

CHECK US OUT IN FLORIDA

We'll see you in the "yachting capital of the world" for the 57th Fort Lauderdale International Boat Show from November 3–7. We're showing a full Cat Marine lineup in the engine tent, 1213–1214.

IT'S OUR JOB TO HELP YOU DO YOURS. TELL US WHAT ENGINE INFORMATION YOU'D LIKE TO SEE MORE OF:

- Maintenance Advice
- Repair Options and Solutions
- Cat Reman Products
- Coverage Options
- New Cat Marine Engines
