F2 SERIES KEY ASPECTS

LOW COST OF OWNERSHIP

The F2 Series Backhoe Loader offers great value for money. With innovative efficiency enhancing systems these machines make the most of every drop of fuel. Maintenance-free drive axles, the highest quality parts and a reliable, economical engine make these machines a great investment whether you rent or operate your machine.

READY TO WORK, ALL DAY EVERYDAY

Powered by the reliable, high torque 4-cylinder engine the F2 Series Backhoe Loaders will keep you working even in the harshest conditions. In addition, the oil-immersed, multi-plate brakes, a balanced gearshift and axles all deliver optimal performance.

YOUR TOUGHEST WORKER

A perfectly configured high-performance 6-speed auto-shift transmission system and optional Torque Converter ensure that engine power is transferred to the wheels with minimal waste. This combined with low-noise and reduced fuel consumption, boost overall machine efficiency.

SAFETY WITHOUT COMPROMISE

Safety of the operator and working environment are paramount to the design of the F2 series. From retractable seatbelts, external and internal mirrors to the boosted braking system, reverse alarm and roof mounted beacons and LED work lights, these machines have safety covered.

THE WORLD'S BEST OFFICE

With a range of cab configurations, Cat Backhoe Loaders offer specifications suitable for every task and budget. Choose from a variety of seat options and combine with ergonomic control layout, high clarity display screens, large stowage compartments all maximise operator comfort.
