## CAT® MARINE PRODUCTS AND SUPPORT

YOUR RESOURCE FOR REPAIR OPTIONS

### WITH YOU ON THE WATER.

From product support to maintenance repair options, your Caterpillar Inside Sales Representative (ISR) is there. ISR Manager Greg McClelland explains the benefits for small- and medium-sized customers.

### READY TO DROP.

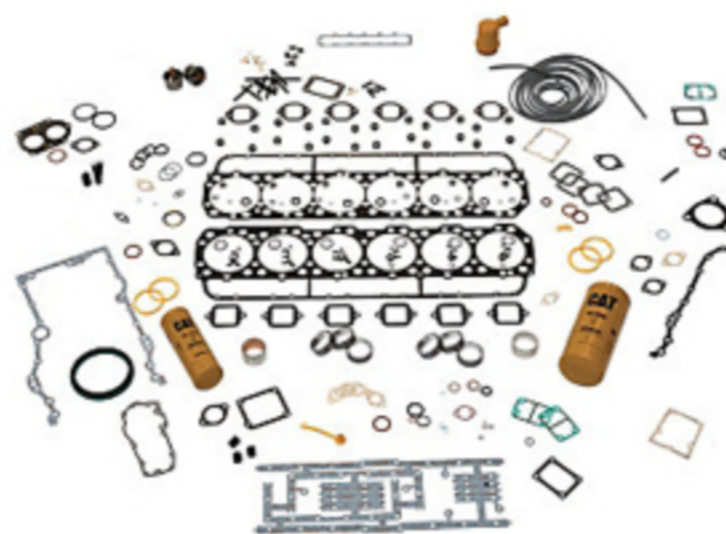

Select Cat Reman engines now come standard with wiring harnesses, junction boxes and sensors, making it easier for you to drop in your Reman engine and get back on the water.

### CAT CONCIERGE GOES ACROSS THE OCEAN.

In a little over 60 hours, Cat Concierge managed to coordinate with three different Cat dealers – thousands of miles apart – to get the Vava up and running before its trip through the Indian Ocean. Read more about the one phone call that started it all.
