COMPLETE ENGINES REMANUFACTURED IN THE
USA MEET SAME-AS NEW PERFORMANCE AND
EMISSIONS STANDARDS

Get more for your replacement dollars.

Your engine is the heart of your on-the-road performance. When it's time to replace it, choose the option that gives you the most for your money. Unlike other products on the market, Cat® Reman 3126B/3126E and C7 Engines come fully assembled with the air compressor, flywheel, main engine wiring harness, electronic control module and all engine sensors included.

Remanufactured to same-as-new standards, Cat Reman Engines are dynamometer tested and tuned for maximum performance and fuel efficiency — then backed with an industry-best warranty, plus towing coverage for the first 12 months. The result? You get an engine you can count on at a price you can afford.

1

GET AN ENGINE THAT'S AS GOOD AS NEW

When you buy a Cat Reman Engine, you get a product that performs like new. At our state-of-the-art facility in Corinth, Mississippi, our team:

- » Disassembles, cleans and inspects every component; applies advanced salvage techniques; and incorporates the latest engineering changes.
- » Replaces all piston rings, rubber parts, springs, seals, gaskets and O-rings with 100% new components
- » Regrinds and polishes crankshaft and journal surfaces and re-hones cylinder bores to exact dimensions
- » Reassembles the final product using same-as-new product engineering standards
- » Performs dynamometer testing and turning to ensure every product meets original performance specifications

3

RECEIVE MAXIMUM VALUE FOR YOUR CORE

Get the most for your money with our flexible core acceptance criteria. Because we use simple, visual inspections that don't require special tools or disassembly, we can provide an immediate decision on core condition and credit. You don't have to wait for—or guess about—your repair costs.

You'll receive full core credit as long as your engine is fully assembled and the cylinder block is not visibly cracked, broken or welded. However, even engines with visibly cracked, broken or welded cylinder blocks are eligible for partial credit.

2

CONTROL YOUR DOWNTIME AND REPAIR COSTS

To keep your expenses and downtime to a minimum, Cat Reman 3126B/3126E and C7 Engines are priced at a fraction of the cost of new, available off the shelf worldwide and backed by a same-as-new warranty. You're protected for an industry-leading 36 months, 150,000 miles or 3,600 hours. This warranty covers:

- » Repairs at any authorized Cat dealer (not limited to the original selling or servicing dealer)
- » Parts and installation labor to replace defective parts, even if the original repair was not performed by a Cat dealer (assuming workmanship did not cause the failure)
- » Contingent damage caused by a covered component to other Cat engine components
- » Replacement of engine oil, coolant and filters if contaminated during a failure of a covered component
- » Unlike competitive offerings, Caterpillar 3126B/3126R and C7 Reman engine warranty covers all engine components for the entire warranty period
- » For complete details of the 3126B/3126E and C7 engine warranty, please contact your local Cat dealer
