LOWER YOUR COSTS AND DOWNTIME

1

GET SAME-AS-NEW PERFORMANCE

Every Cat Reman Oil Pump performs just like a new part. That's because we:

- » Completely disassemble, clean and inspect every component to ensure quality and durability
- » Install 100% new springs, seals and gaskets
- » Include all the latest engineering changes for top performance and long life
- » Perform multiple quality checks, including an extensive end-of-the-line test

2

CONTROL YOUR REPAIR COSTS

Available off the shelf worldwide and priced at a fraction of the cost of new parts, Cat Reman Oil Pumps help you reduce expenses and downtime. Plus, they come with an industry-leading, unlimited-mileage, 12-month standard warranty that covers:

- » Repairs at any authorized Cat dealer (not limited to the original selling or servicing dealer)
- » Parts and installation labor to replace defective parts, even if the original repair was not performed by a Cat dealer (assuming workmanship did not cause the failure)
- » Contingent damage caused by a covered component to other Cat engine components
- » Replacement of engine oil, coolant and filters if contaminated during a failure of a covered component

3

RECEIVE MAXIMUM VALUE FOR YOUR CORE

Our flexible core acceptance criteria help you get the most for your money. We use simple, visual inspections that don't require special tools or disassembly. That means we can provide an immediate decision on core condition and credit, so you don't have to wait for—or guess about—your repair costs.

You'll receive full core credit for your oil pump as long as it's complete, there's no damage to the housing and it is an acceptable Caterpillar part number.
