General	<p>Q. What is the Cat Customer Value Agreement (CVA)?</p> <p>A. The Cat CVA is a packaged offering containing planned maintenance parts, optional Equipment Protection Plan (EPP) and digital services sold through Cat Financial Aftermarket Solutions (CFAS) to help maintain good condition throughout the life of the machine. The Cat CVA covers your recommended planned maintenance parts and services according to Operation Maintenance Manual (OMM) guidelines. The Cat CVA product is portable across the Cat dealer network and eligible for redemption amongst all participating Caterpillar dealers (regional and legal exclusions apply).</p> <p>Q. What terms are available for the Cat CVA?</p> <p>A. The terms available for the Cat CVA are 36-months for 1500, 3000, 4500, or 5000 total term hour options , 48-months for 2000 or 4000 total term hour options and 60-months for 2500 or 5000 total term hour options depending on the model. All primary service intervals are aligned with the OMM for these offerings. The term expires when the length of time (measured in months) or the machine hour usage is reached, whichever comes first.</p>

CAT® CUSTOMER VALUE AGREEMENT (CVA) FREQUENTLY ASKED QUESTIONS

Equipment Protection Plan (EPP)

Q. What is EPP?

A. EPP provides dealer reimbursement for parts and/or labor for covered defects in Cat material and manufacturer workmanship. Repairs must be completed at a Cat authorized dealer. The coverage term for the New Machine EPP starts from the product delivery date and runs concurrently with the standard machine warranty period. Coverage under the EPP Program does not change the standard machine warranty. Refer to the Cat CVA contract and the EPP section of the link below:

https://www.cat.com/en_US/support/financing-protection/resources/cva-contract-information.html

Q. What coverage levels are available for EPP in the Cat CVA?

A. Only EPP Powertrain + Hydraulics + Technology (P+H+T) — offered for a variety of year/hour combinations.

Q. What is covered under EPP (P+H+T)?

A. Certain Powertrain + Hydraulic components with additional COMPACT, GRADE, PAYLOAD and LINK technology components added. EPP covers only the repair or replacement of the failed component (must be a component on the coverage list) and any resultant damaged parts caused by defects in Cat materials or manufacturer workmanship, subject to certain exclusions. See the Cat CVA contract and the EPP section of the link below for the full coverage details.

https://www.cat.com/en_US/support/financing-protection/resources/cva-contract-information.html

Q. What are some examples of exclusions under EPP (P+H+T)?

A. Examples include: Failures caused by normal wear-out or improper or abusive use of the machine. Lubricating oil, antifreeze, filters, consumables and other maintenance items replaced during the covered component repair (unless such items are rendered unusable due to resultant damage by a covered component failure). Freight charges for parts shipments. Travel time and mileage involved in getting to a jobsite.
