## CAT INSPECT

TAKE BACK UPTIME WITH THE CAT INSPECT APP FOR DAILY INSPECTIONS

The Cat Inspect app turns your mobile device into a smart machine inspection tool – meaning no more paper needed.  Rate asset conditions, add comments, take photographs and share results.

Use this archive to learn about the evolution of this resource.

# NEW FEATURES

**Includes all features which have not previously been available or included.**

**July 2020:**
- Fixed an issue where attachments that were added to an edited inspection were not being included in the pub/sub API feed.
- Fixed an issue that was causing the website to create an additional draft form when users were publishing forms.
- Fixed an issue where the system was setting a default Green rating to the General Comments when a user added a video and the rating was not already selected..

## ENHANCEMENTS

**Upgrade & improvements to existing product features.**

None at this time.

## FIXES

**Remedies applied to known to product issues or software bugs.**

**July 2020:**
- Fixed an issue where attachments that were added to an edited inspection were not being included in the pub/sub API feed.
- Fixed an issue that was causing the website to create an additional draft form when users were publishing forms.
- Fixed an issue where the system was setting a default Green rating to the General Comments when a user added a video and the rating was not already selected.

## OTHER/OPERATIONS
