

# CAT® APP RELEASE NOTES iOS\_2.25 | ANDROID\_2.25

April 2021

## CAT® APP

### 24/7 EQUIPMENT MANAGEMENT ON-THE-GO

Efficient equipment management starts with the Cat App. Track the location and health of your equipment, order service and parts, and activate telematics devices directly from your mobile device. Staying on top of your fleet 24/7 has never been easier.

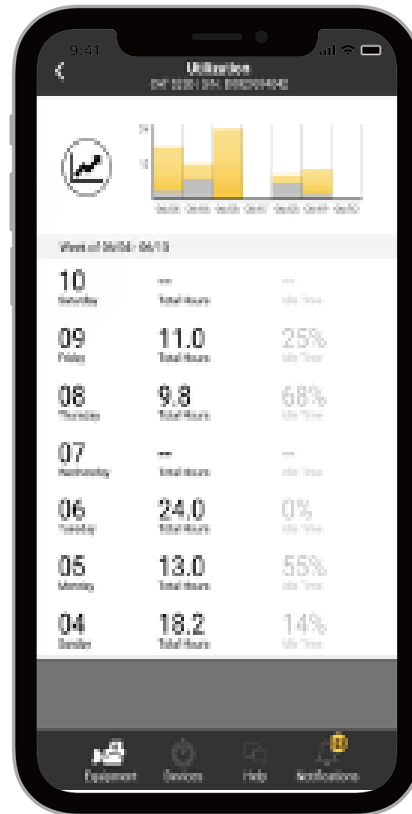

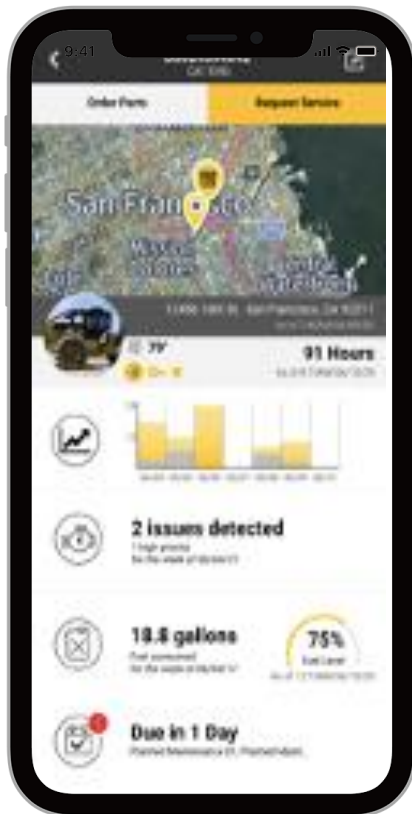

## WHAT'S NEW

- Android now shows idle hours in the utilization graph (as gray bars)
- Utilization graphs have been enhanced to show daily idle hours
- Equipment sorting is now more intuitive and easier to read
- Minor PM sorting improvements
- Fixed an issue where users were stuck on demo mode

# NEW FEATURES

## Idle Hours in Utilization

It's finally here! Check out how long your machines have been idle at a quick glance with the new gray idle hour bar feature. With intuitive colors, it's easy to see your hours at a glance. Making quick and informed decisions for your fleet has never been simpler.
