

# CAT® INSPECT RELEASE NOTES

March/April 2021

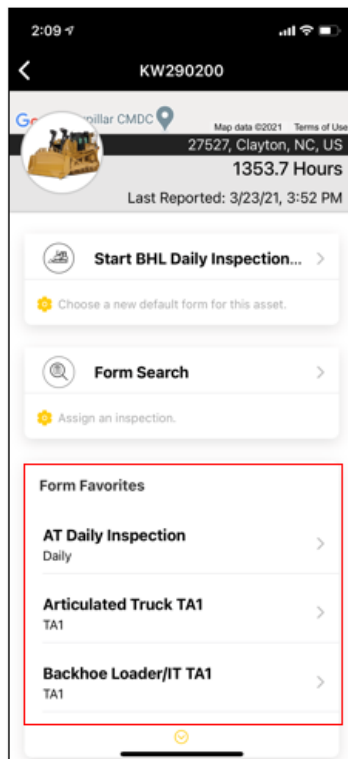

## Cat Inspect

Cat Inspect is an easy-to-use application that allows users to download and complete Caterpillar and user-defined inspections, with the option to include additional information like images, videos, comments, and ratings. Completed inspection details are easily retrieved from the streamlined web portal for follow up and opportunity management.

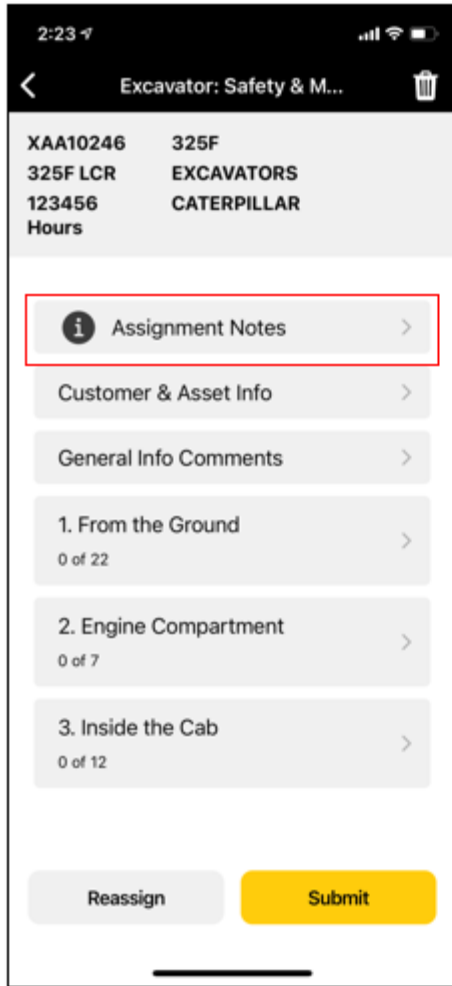

## NEW FEATURES & ENHANCEMENTS

**Cat Inspect Mobile Release 4.3.6** (April 12, 2021)

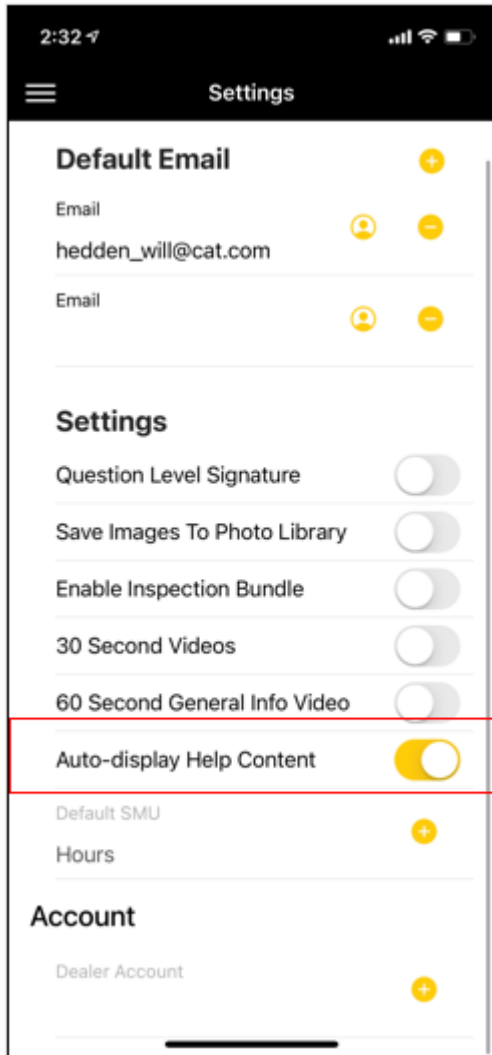

1. Customer users can now access their form favorites from the Asset page.

2. Assignment notes will be displayed to the user within the inspection. See website feature #3

3. New user preference to auto-display question help content.

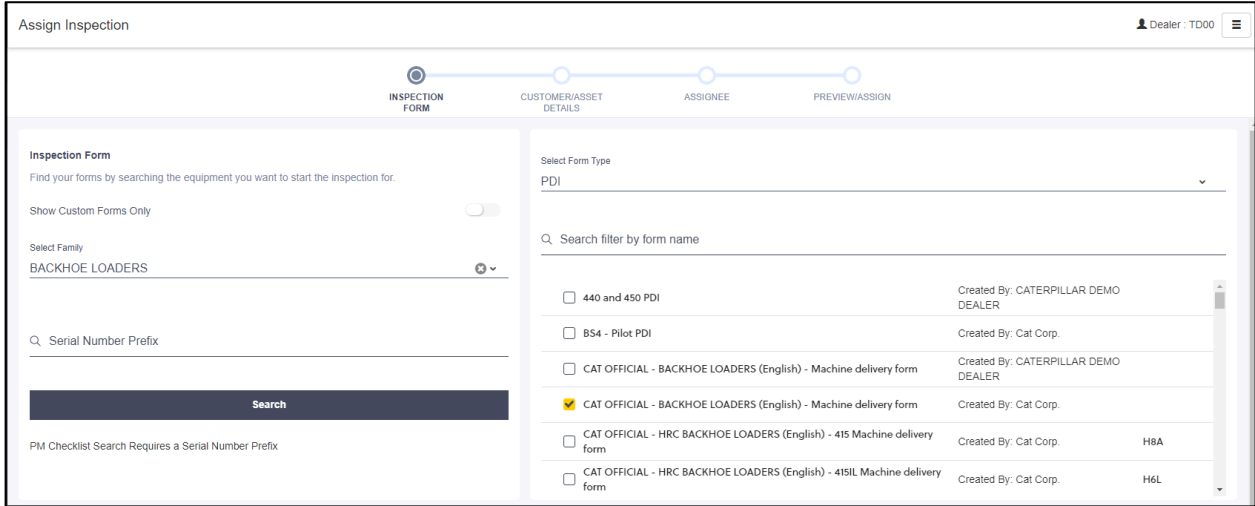

4. Cat Inspect users will now receive a notification when a new version of the app has been released.

# NEW FEATURES & ENHANCEMENTS

## Cat Inspect Web

- 1. Updated the website's inspection assignment workflow to have a more modern and responsive design.

- 2. Added the ability to assign up to 20 inspection forms at one time for a single asset to a single inspector to the website.
