SAFETY

- Safety is a top priority. We provide hands-on training and make sure you have all necessary personal protective equipment before heading to the shop floor.

BENEFITS

- All Caterpillar employees are offered health, vision, and dental benefits, paid vacation, quarterly performance-based bonuses, and a matching 401(k) plan.

JOB DETAILS

- Our welders play a critical role in fabricating parts for the Cat® asphalt pavers, vibratory soil compactors, and asphalt screeds built at our facility.
- Our welders use basic tools, operate machinery, and use welding equipment to perform basic tack and straight-line welds, all while ensuring safety, quality, and standard work are followed.

CATERPILLAR®

How did I end up at Caterpillar?

I worked in my grandfather's welding shop through high school so I had eight years of experience before I got here.

– Ryan, 3 years

I have experience as a fab finisher and started on second shift with an agency. Now I'm a Caterpillar employee and work first shift.

– MacBernerd, 4 years

I'm taking a break from school for my welding degree and am working here to make money for school.

– Waheed, 2 months

NO CONSTRUCTION EQUIPMENT IS AS RECOGNIZABLE AS THE CAT LOGO.

Be responsible for CREATING our ICONIC LOOK.

Our core values of Integrity, Teamwork, Excellence, Commitment, and Sustainability direct everything we do. We are invested in creating a working environment that is clean, efficient, and safe to ensure our customers have the best quality paving equipment on the market. Want to be a part of building the world's roadways and making life better for people around the world?
