

» CAT® REMAN CYLINDER HEADS

SAVE TIME AND MONEY WITH CAT® REMAN
UPGRADE-TO-NEW CYLINDER HEADS

NEW PART PERFORMANCE AND RELIABILITY AVAILABLE
OFF THE SHELF—AT A LESS-THAN-NEW PRICE

Upgrade to new for long life, top performance and lower costs.

Looking for an alternative to buying new or rebuilding your cylinder heads? Don't settle for aftermarket brands in an effort to save money—they can cause horsepower and fuel economy losses. Instead, choose a lower-cost repair option designed, manufactured and tested specifically for your engine: Cat® Reman upgrade-to-new (UTN) cylinder heads.

Available for Cat C10-C16 on-highway truck engines, Cat Reman UTN cylinder heads are 100% new product backed by a same-as-new parts warranty—but they're priced less than new and available off the shelf so you can get back to work quickly and affordably. They're built to help you achieve the lowest owning and operating costs over your Cat truck engine's lifecycle, without sacrificing reliability, durability and fuel economy.

100% NEW PRODUCT

CAT®

CUT YOUR COSTS AND DOWNTIME

1

GET 100% NEW PRODUCT

Every Cat Reman UTN cylinder head:

- » Features new valve bridge sets
- » Includes all the latest engineering changes and updates
- » Undergoes multiple quality checks, including an extensive end-of-line leak test
- » Is cast, heat treated and tested to strict Caterpillar standards
- » Is machined and assembled in the U.S. using the latest machinery and technology

2

CONTROL YOUR REPAIR COSTS

Available off the shelf and priced less than new parts, Cat Reman UTN cylinder heads help you reduce expenses and downtime. Plus, they come with an industry-leading, unlimited-mileage, 12-month standard warranty that covers:

- » Repairs at any authorized Cat dealer (not limited to the original selling or servicing dealer)
- » Parts and installation labor to replace defective parts, even if the original repair was not performed by a Cat dealer (assuming workmanship did not cause the failure)
- » Resultant damage caused by a covered component to other Cat engine components
- » Replacement of engine oil, coolant and filters if contaminated during a failure of a covered component

3

RECEIVE MAXIMUM VALUE FOR YOUR CORE

Our flexible core acceptance criteria helps you get the most for your money. We use simple, visual inspections that don't require special tools or disassembly. That means we can provide an immediate decision on core condition and credit, so you don't have to wait for—or guess about—your repair costs.

You'll get full credit even if your core has:

- » An aftermarket head* or aftermarket piece parts (valves, springs, guides, etc.)
- » Unsuccessful salvage attempts, such as milling, grinding or welding
- » Cracks caused by operational failure, non-operational failure or mishandling
- » Excessive rust or corrosion

* aftermarket head must be equivalent model to the UTN head being purchased

YOU ALSO HAVE THE OPTION TO ADD EXTENDED CAT COMPONENT PLUS COVERAGE UP TO
