

4 EASY STEPS TO PROTECT YOUR PLEASURE CRAFT ENGINE, GENERATOR SET OR CAT® CONTROLS

You count on Cat marine power for reliability and long service life—and with Extended Service Coverage (ESC), you also get a lifetime of coverage options. ESC for pleasure craft engines and generator sets protects your investment and your peace of mind. Choosing coverage for your **propulsion or auxiliary engines, prime or standby generator sets, or Three60 Precision Control Systems** is as easy as following these four steps.

1 IDENTIFY YOUR COVERAGE NEEDS

Identify your annual hours of use and preferred deductible to choose the best ESC terms to fit your needs. For engines and generator sets outside of their original factory warranty, identify the age and current operating hours since delivery.

2 CHOOSE FROM A VARIETY OF COVERAGE OPTIONS

Next, extend your protection beyond the original factory warranty by choosing the coverage option that's right for your situation.

NEW ESC	Coverage for marine pleasure craft engines, generator sets or Cat controls is available in 36- to 60- month terms, in 12-month increments, if purchased before the end of your original factory warranty.
CAT THREE60 PRECISION CONTROL COVERAGE	New ESC coverage is available on Three60 components in 36- to 60- month terms, in 12-month increments, if purchased before the end of the original factory warranty.
ADVANTAGE ESC	Coverage is available after the end of the original factory warranty in 12- to 60- month terms, in 12-month increments, and before the first overhaul. Your engine or genset: <ul style="list-style-type: none">> Can be covered for up to 10 years from its delivery date> Must be within defined hour use limitations> Must pass a qualifying inspection performed by an authorized Cat dealer> Can be covered for one to five years after each inspection.
OVERHAUL ESC	Coverage is available in 12- to 60- month terms, in 12-month increments. Your commercial marine engine or generator set is eligible once a qualifying overhaul has been completed by an authorized Cat dealer in accordance with the Overhaul ESC Checklist.

3 SELECT YOUR COVERAGE LEVEL

Then, choose from our Platinum or Platinum Plus coverage levels (New and Advantage ESC only) to get the exact amount of protection you need based on the Coverage Matrix¹ and Additional Allowances.
