

CAT® CUSTOMER VALUE AGREEMENT FOR  
**WORKBOAT OWNERS**

## SOME PROGRAM BENEFITS INCLUDE:

- Comprehensive coverage with a single price that includes warranty and first engine overhaul
- Various payment plans, including monthly payments, that will make budgeting clear and easy
- Access to Cat Remote Fleet Vision (RFV) software for easy, self-service monitoring and reporting; plus, you can explore other available modules to customize your vessel support program
- Competitive pricing on Cat filters and fluids on vessels covered by a CVA for customer-performed planned maintenance (PM). Ask your dealer about adding PM parts and labor to your agreement
- Substantial savings on new engine and engine repower purchases for all engines in your fleet
- Parts availability guarantees when you plan and schedule your overhaul with your local dealer
- On-vessel (when possible) consultation from a Cat dealer rep to review engine PM best practices

## EXPERIENCE **TRUE PEACE OF MIND**

Explore a new life cycle service solution, which includes your engine's first overhaul and Extended Service Coverage (ESC) — the best way to maximize your engine's value and protect your investment.

Flexible payment plans, including monthly payments are available to match your needs and provide true peace of mind. One option is a comprehensive plan for covering your engine's needs through the first overhaul.

This solution includes competitive rates on your overhaul parts, overhaul labor, and your ESC. In addition, under this agreement, you'll enjoy discounts on filters and Cat oil, while managing your preventative maintenance intervals through the Filters & Fluids Management Module. The module is accessible through your complimentary digital package, where you'll experience richness of data, simple reporting, and customized alerts.
