

DISCOVER THE BENEFITS OF THE CAT[®] CARD

GET THE FLEXIBILITY, CASH AND DEDICATED SUPPORT YOU NEED TO MAKE BUSINESS PURCHASES

Managing day-to-day operations and long-term growth are critical for businesses of all types. Having the resources to fund operations, manage emergencies and seize opportunities makes leading your company that much easier.

If you're a Cat[®] equipment user looking to maintain flexibility in your finances and take advantage of dedicated customer service just for Caterpillar customers, then it's time to explore the Cat Card.

WHAT IS THE CAT CARD? //

The Cat Card is a revolving line of credit that can be used at participating Cat dealers and rental stores to pay for parts, services, rentals and more. It's an easy way to get what you need fast, no matter where your work takes you.

For example, if you work in a seasonal industry, there may be times during the year when it's challenging to make a full payment on an equipment rental, a machine repair or something else you need to keep your business going. With a revolving line of credit like the Cat Card, you can make low monthly payments when necessary, then pay in full when your finances allow. That flexibility helps your company make purchasing decisions and manage the financial obligations related to them more effectively.

WHAT MAKES THE CAT CARD DIFFERENT? //

As a business owner, you have many options to fund operations and secure credit. You probably already have business and personal credit cards in your wallet. So why should you choose the Cat Card?

DESIGNED SPECIFICALLY FOR CAT EQUIPMENT USERS

Today's Cat Card is just for businesses like yours, allowing multiple users on one account and expense tracking by job. And it's the only card that comes with dedicated Caterpillar support. You get personalized service from a Cat Financial customer support team — people whose only goal is your success.

FLEXIBLE OPTIONS

The Cat Card lets you choose between two types of billing. With statement billing, you receive one statement monthly that covers all transactions made within that period. A minimum payment of 10% (revolving) of the account balance plus interest is due each payment cycle, or you can pay in full without interest charges. With invoice billing, you immediately receive a separate bill that mirrors the dealer invoice for each transaction you make, plus a monthly summary of all paid and open invoices. The full payment of the invoice is due on the stated terms.

ACCESS TO REWARDS AND SPECIAL OFFERS

The Cat Card rewards you for being a valued customer. Eligible accountholders enjoy 1% rewards on all qualifying purchases (see cat.com/catcardrewards for terms and conditions). Plus, you get access to exclusive offers and promotions on parts, services and rentals. After you receive your card, check our current offers regularly to see what savings are available to your company.
