

Cat® Extended Service Coverage (ESC)

4 EASY STEPS TO PROTECT YOUR INDUSTRIAL ENGINE

Your operation depends on reliable power. That's why you specify Cat® industrial engines. With Extended Service Coverage (ESC), you get additional service that's just as durable and long-lasting. ESC for **new, used and overhauled industrial engines** protects your investment and your peace of mind. Choosing coverage is as easy as following these four steps.

1 IDENTIFY YOUR COVERAGE NEEDS

Identify your annual hours of use and preferred deductible to choose the best ESC terms to fit your needs. For engines outside of their original factory warranty, identify the age and current operating hours since delivery.

2 CHOOSE FROM A VARIETY OF COVERAGE OPTIONS

Next, extend your protection beyond the original factory warranty by choosing the coverage option that's right for your situation.

NEW ESC	Coverage for industrial engines is available in 24- to 60-month terms, in 12-month increments, if purchased before the end of your original factory warranty.
ADVANTAGE ESC	Coverage is available after the end of the original factory warranty in 12- to 60- month terms, in 12-month increments, and before the first overhaul. Your engine: <ul style="list-style-type: none">> Can be covered for up to 10 years from its delivery date> Must be within defined hour use limitations> Must pass a qualifying inspection performed by an authorized Cat dealer> Can be covered for one to five years after each inspection.
OVERHAUL ESC	Coverage is available in 12- to 60-month terms, in 12-month increments. Your engine is eligible once a qualifying overhaul has been completed by an authorized Cat dealer in accordance with the Overhaul ESC Checklist.

3 SELECT YOUR COVERAGE LEVEL

Then, choose from our Silver, Gold, Platinum or Platinum Plus coverage levels (New and Advantage ESC only) to get the exact amount of protection you need based on the Coverage Matrix¹ and Additional Allowances. Overhaul ESC options are also available. Contact your local Cat dealer for details.
